Kindergarten Math Workbook: Kindergarten and 1st Grade Workbook Age 5-7 | Homeschool Kindergarteners | Addition and Subtraction Activities | Common Core Aligned for Counting, Operations and Algebraic thinking, Number and Operations (base ten), Measurement and Data, & Geometry (Homeschooling Activity Books) Are you looking for a workbook to use with your Kindergartener or First Grader as review, practice, or as a distance learning tool.....We've got you covered! Our Math Kindergarten workbook is an awesome tool for

watching the progress in your child's work as well as ensuring they are learning the standards required for their grade level. Best of all, this journal is teacher created so we cover standards in Counting, Number and Operations, Algebra, Geometry, and Measurement for the Kindergarten year. These journal prompts cover the Common Core Math Standards for Kindergarten in a sequential, spiral review fashion. This is a great way to see the progress of your child on these standards throughout the year. If you would rather use this for practice when your child's class is going over a specific skill, you can pick and choose what you work on and when. Completing two prompts per day will get you through the whole school year. *In the beginning, these may take a while as your child is getting used to the wording and directions. Make this a shared experience (especially with

the drawing prompts) Eventually they will be able to demonstrate independence. Have your smelly markers and stickers ready to encourage your child's effort and enjoy all the memories of watching them grow this year. Give your child a head start with our latest kinder learning book that teaches the basics of math to kids. About CorrieLeeAnn CorrieLeeAnn is an elementary school teacher who is passionate about creating tools for the parent/student/home connection to enrich their classroom experience. The Book Contains: Premium matte cover design 165 pages and over 300 prompts Printed on high quality 60 lb interior stock Perfectly sized at 8.5" x 11"

Everyday Mathematics McGraw-Hill
Education

Jumpstart your students' minds with daily warm-ups that get them thinking

mathematically and ready for instruction. Daily Math Stretches offers practice in algebraic thinking, geometry, measurement, and data for grades K-2 to provide an early foundation for mastering mathematical learning. Written by Guided Math's author Laney Sammons and with well-known, research-based approaches, this product provides step-by-step lessons, assessment information, and a snapshot of how to facilitate these math discussions in your classroom. Digital resources are also included for teacher guidance with management tips, classroom set-up tips, and interactive whiteboard files for each stretch.
