Because Teaching Matters
provides teachers with a realistic
depiction of today's classrooms
while highlighting the enormous
impact they have on everyday
lives. The second edition presents
material around a framework of
five professional commitments
that allows them to make sense of
what it means to be a teacher. A
new critical-thinking framework
helps them manage the content
better and retain more of what
they learn. Increased coverage of
diversity and technology is
integrated throughout the
chapters. A new chapter has also
been added on the history and
philosophy of education. This

book will help teachers make
decisions and take responsibility
for the consequences of those
choices.

Poetry Journal/Notebook for Everyone
What is a simple definition of poetry? Poetry is a type of literature based on the interplay of words and rhythm. It often employs rhyme and meter (a set of rules governing the number and arrangement of syllables in each line). In poetry, words are strung together to form sounds, images, and ideas that might be too complex or abstract to describe directly. This Journal is perfect to use it in Home, office and even a great gag gift idea. Inside this beautiful designed Poetry Journal You will get: Cover Finish: Matte
Dimensions: 5.5" x 8.5"
Interior: Lined Paper Pages: 100

Jacqueline Woodson's National Book Award and Newbery Honor winner is a powerful memoir that tells the moving story of her childhood in mesmerizing verse. A President Obama "O" Book Club pick Raised in South Carolina and New York, Woodson always felt halfway home in each place.

In vivid poems, she shares what it was like to grow up as an African American in the 1960s and 1970s, living with the remnants of Jim Crow and her growing awareness of the Civil Rights movement. Touching and powerful, each poem is both accessible and emotionally charged, each line a glimpse into a child's soul as she searches for her place in the world. Woodson's eloquent poetry also reflects the joy of finding her voice through writing stories, despite the fact that she struggled with reading as a child. Her love of stories inspired her and stayed with her, creating the first sparks of the gifted writer she was to become. Includes 7 additional poems, including "Brown Girl Dreaming." Praise for Jacqueline Woodson: "Ms. Woodson writes with a sure understanding of the thoughts of young people, offering a poetic, eloquent narrative that is not simply a story . . . but a mature exploration of grown-up issues and self-discovery."—The New York Times Book Review
1st Grade Not As Easy As It Used to Be Wiley
Neil Armstrong, Edwin Buzz Aldrin, and Michael Collins flew high above the planet Earth to reach the Moon and to land on it for the first time. But it was the

men at Kolar Gold Field who dug deepest excavations below the surface and landed on the ultra-deep horizon into the planet Earth for the first time in human history! The latter was a hundred times dangerous than the space odyssey. While space expeditions explore the heavenly bodies, the land expeditions explore the earthly formations all for the welfare of humankind. The talents of the men at Kolar Gold Field could be so greatly equated that they were worthy of driving the Sun around Earth. They made deepest wells on Earth practically, it turned out to become the hell on Earth. The mine workers risked their lives to win gold for the luxury of the world community. Hence, it was all a daily rebirth for them. Reaching the lowest levels of these golden wells drove scientists to find new sophistications in technology. With the state-of-the-art, the miners at Kolar Gold Field overwhelmed nature, posing serious challenges to man trying his destiny. They proved how limitations of nature could be overcome to achieve results! The astonished nature rewarded them suitably. The Wonders of the World themselves wondered on man overcoming the dangers at the interior of the earth, their courage, the technological innovations in their industry, etc. This Book Kolar Gold Field (Unfolding the Untold) exposes all the oblivion facts on the great city just known globally as KGF for the first time in the world. A golden history is now placed before you. It's hoped learned man/woman like you will pass on the glorious information to your next generation and help them for

a better understanding of our times. For this, should you not read this book? S. Srikumar

"The definitive reference on literacy research methods, this book serves as a key resource for researchers and as a text in graduate-level courses. Distinguished scholars clearly describe established and emerging methodologies, discuss the types of questions and claims for which each is best suited, identify standards of quality, and present exemplary studies that illustrate the approaches at their best. The book demonstrates how each mode of inquiry can yield unique insights into literacy learning and teaching and how the methods can work together to move the field forward"--
