Buttons Book I ... Page 55 The book's main character, 19 year old Lance Ryder, talking with his French tutor about the bite marks he'd left on one of her breasts and the subsequent verbal exchange she had with her husband. "So, what did your husband say after he saw the bite marks?" "He knew I'd taken a lover, but he didn't know who it was. He probably thinks it's one of the graduate students that I'm tutoring or maybe the milkman, I really don't know." "Didn't he ask, surely he wanted some information, something?" "I never asked when he had his mistress and he isn't going to ask now that I've got a lover." "But, you don't have a lover, I mean; I'm not your lover...am I?" She put one of her hands on my thigh and gave me a good squeeze. "Not yet, my Cherie."

Buttons Book I ... Page 344 Lance's girlfriend, Emily, talking on the phone to a guy she recently met named Charlie who wants her to come over to his apartment where members of his basketball team are having a party. "So you guys talked about doing it after you saw me at the gym... what did everybody say? Have you guys ever done a girl by herself before as a group...but you've talked about it...I figured as much... so this will be a new experience for everyone? Who decides who goes first or does it just happen...interesting...is that what happens when there's just one girl and six guys...you just take turns fucking me and everybody watches...jeez Charlie."
