January 6th was a day that will go down in infamy in American History. Insurrection Day lays out a graphic timeline of events that lead up to that day. Angry at what happened that day? Confused? Want to know more about how it happened, and how you can prevent it from happening again?

Insurrection Day can help turn anger and confusion into action as it graphically shows the events

leading up to that day, and describes actions that all of us can take to prevent it from happening again. Democracy is in danger, and it is up to each of us to defend it! As much of America did that day, the authors including their resources, watched, live, in horror January 6th as it unfolded. Angered by that day, and also afraid for democracy, they decided to turn fear into action. At the beginning of June 2021, they saw winter coming. This book is the result. This story behind January 6th is still very much publicly unfolding. This is the first chapter in the Insurrection Saga, the next chapter is up to all of us. MARATHON MAN is an uplifting story of

an extraordinary achievement - all the more gripping given that the author was an inexperienced long-distance runner and only 20 when embarking on his mission to run 35 marathons in 35 consecutive days. Alan Corcoran's response to the shock of his dad's stroke, was to get active, create positive from negative and raise money for charity. Alan faced many obstacles along the road - beyond the sheer physical endurance challenge of running 1,500 kilometres around Ireland. He candidly submerges the reader into his world with an endearingly light touch, showing how through sheer perseverance, you can achieve your objectives. Alan's humour, positivity and pure determination shine through this story. Whatever your challenge, this book will show you that you can succeed. 'A fantastic read' - Love Reading, the UK's leading book recommendation website 'An intimate and uplifting story of grit, tenacity and healing and one that is sure to stir the soul.' - Dean Karnazes, New York Times best-selling author and ultra-distance runner 'With total drive, belief and preparation anything can be achieved. Alan is a triumphant success and a huge example to all. Bravo!' - Eddie Jordan OBE, Businessman and former Formula One team owner 'The best running books have character, an amazing tale and passion. This ticks all those boxes and more.' - Paul Larkins, editor, Trail Running magazine 'Inspiration for anyone to raise the bar on their own fitness goals.' - Men's Fitness magazine
