*CliffsNotes AP World History Cram Plan* Princeton Review

Theodore H. Von Laue's stunningly original and controversial book approaches the dynamics of twentieth-century history from an entirely new perspective by proposing that the little-understood historic process known as the world revolution of Westernization has caused the global violence and warfare of this century. Accounting for world wars, the rise of communism and fascism, decolonization, Third World dictatorships, and contemporary terrorism, Von Laue describes the twin processes of the expansion of Western power and the emergence of global interdependence. His journey through the twentieth century begins in the 1870s with the British raj in India; includes the colonization of Africa, the communist and fascist "counter-revolutions," the Great Depression, Stalinism and Hitler's unleashing of World War II, and the post-war emergence of the United States as the foremost superpower; and ends with the nuclear arms race, the most dangerous of all global tensions. As a challenging history of the contemporary age, this book will make readers think more globally and compassionately about the complex issues that threaten our peace and survival as we prepare to enter the twenty-first century.

*Peterson's AP European History* Princeton Review

The New York Times Bestseller "There aren't many books this entertaining that also provide a cogent crash course in ancient, classical and modern history." -Los Angeles Times Beer, wine, spirits, coffee, tea, and Coca-Cola: In Tom Standage's deft, innovative account of world history, these six beverages turn out to be much more than just ways to quench thirst. They also represent six eras that span the course of civilization—from the adoption of agriculture, to the birth of cities, to the advent of globalization. A History of the World in 6 Glasses tells the story of humanity from the Stone Age to the twenty-first century through each epoch's signature refreshment. As Standage persuasively argues, each drink is in fact a kind of technology, advancing culture and catalyzing the intricate interplay of different societies. After reading this enlightening book, you may never look at your favorite drink in quite the same way again.

**Princeton Review AP World History: Modern Prep, 2022** Research & Education Assoc.

The AP World History course and test are being overhauled in 2019-2020. This revised edition captures the latest College Board test changes, which include a reduction in the time range covered by the exam (now 1200 CE to present; was previously 8000 BCE to present.) For students specifically looking to brush up on AP World History content right before the exam--or to cram in a course's worth of topic review in a short time--our ASAP Exam book is a perfect fit! This book includes a brief structure and tips overview, but the real emphasis is on need-to-know content review, not strategy or practice. With key topic lessons and lots of charts, timelines, outlines, mnemonics, call-out boxes, and critical terms & dates lists, it's also perfectly positioned for visual learners.

*ASAP World History: Modern, 2nd Edition: a Quick-Review Study Guide for the AP Exam*  
Bloomsbury Publishing USA

In the thirteenth century, the Mongols created a vast transcontinental empire that functioned as a cultural 'clearing house' for the Old World. Under Mongol auspices various commodities, ideologies and technologies were disseminated across Eurasia. The focus of this path-breaking study is the extensive exchanges between Iran and China. The Mongol rulers of these two ancient civilizations 'shared' the cultural resources of their realms with one another. The result was a lively traffic in specialist personnel and scholarly literature between East and West. These exchanges ranged from cartography to printing, from agriculture to astronomy. The book concludes by asking why the Mongols made such heavy use of sedentary scholars and specialists in the elaboration of their court culture and why they initiated so many exchanges across Eurasia. This is a work of great erudition which crosses new scholarly boundaries in its analysis of communication and culture in the Mongol empire.

*Teaching with DBQs* Princeton Review

This book provides a thorough and curriculum-oriented review of all periods and Key Concepts per the College Board's most recent World History course outline. The content is organized into six historical periods and is centered around all Key Concepts tested on the AP World History exam. The information is presented in a clear and easy to understand style. You can focus on one historical period or one Key Concept at a time to fully comprehend and internalize important historical relationships. Scoring well on AP exams is important for admission to college. To achieve a high score on AP World History exam, you need to develop historical thinking skills to properly analyze historical evidence and quickly respond to the exam's questions. You must learn to apply chronological reasoning, draw comparisons and contextualization and craft arguments from historical evidence. This book can be used both as the text during your World History AP course and as review guide before the exam. By using it as your study tool you will develop the necessary skills and will be well prepared for the AP World History course and exam.
