The Forest Hills neighborhood is set within a heavily treed, rolling landscape adjoining Rock Creek Park and was first home to the Piscataway Indian tribe and later to Civil War encampments. Threshing mills and large rural estates gradually gave way in the early 1900s to a residential community in close proximity to the National Bureau of Standards where many of the residents worked. Diplomats, politicians,

and many prominent Washingtonians now inhabit many of the splendidly designed houses found in Forest Hills today. 0Images of America: Forest Hills includes nearly 200 vintage images that document the long and fascinating history of the community. Etchings, maps, and photographs combine to illustrate Native American settlers; architect-designed residences; and the homes of Presidents Truman and Johnson, infamous FBI director J. Edgar Hoover, and Post cereal heiress Marjorie Merriweather Post. The book also highlights Connecticut Avenue, the neighborhood's main street; apartment buildings; and well-known artists and authors who have called Forest Hills home.

Play The Devil is the debut novel from Scott Laudati. A semi-autobiographical tale of two best friends traversing the backyards of New Jersey in search of the American Dream. Like a 200 page Bruce Springsteen song, Play The Devil is permeated by a sense of nostalgia and loss, of love and redemption, with

scenes from a movie, it is the coming-of-age story for the next generation. Welcome to post 9/11 America, where capitalism and apathy run rampant and men like Donald Trump can become president. In this world, the future often appears futile to millennials in their mid-twenties, stuck in that awkward, directionless stage between school and "real" life. Scott Laudati's debut novel Play the Devil perfectly situates itself within these strange times. -

Lara Robertson, Tharunka University)

refreshing take on the classic

with a heavy dose of comedic
tragedy appeals to you, pick
up Play the Devil. - Sarah

debut novel is simply poetic.
It is a brilliant, comedic,
adventure served with a slice
of truth. - Tristan Sherlock,
