We hope you'll find the Fuel Economy Guide easy to use! Fuel economy and annual fuel cost data are organized by vehicle class (see page 2 for a list of classes). Within each class, vehicles are listed alphabetically by manufacturer and model. Vehicle models with different features, such as engine size or transmission type, are listed as different vehicles. Engine and transmission attributes are shown in the first column under the model name.

Every new automobile sold in the United States has a label showing its tested fuel economy. In addition, all fuel economy test results are published annually to encourage the production and purchase of more fuel-efficient automobiles. Consumers are skeptical, however, because their on-road experience often falls far short of the tested mileage figures.
