The Chemistry, Biology, Physics and Design  
Technology courses will be updated for first  
teaching in September 2014, with syllabus  
updates (including a decrease in the number of  
options), a new internal assessment component  
similar to that of the Group 5 (mathematics)  
explorations, and "a new concept-based  
approach" dubbed "the nature of science". A  
new, standard level-only course will also be ...

Edexcel Chemistry Past Papers - Revision Science  
mark the first candidate in exactly the same way  
as they mark the last. • Mark schemes should be  
applied positively. Candidates must be rewarded  
for what they have shown they can do rather than  
penalised for omissions. • Examiners should  
mark according to the mark scheme not  
according to their perception of where the grade  
boundaries may lie.

A problems class, eg a mathematics class in the first  
year; Tutorials are usually 2-4 students with a tutor.  
Class sizes may vary but would usually be no more  
than around 15 students and can be as small as four.  
Most tutorials, classes, and lectures are delivered by  
academic staff who are members of the department.
