When their father goes missing, two teens travel to Washington D.C to find answers. Their search for the truth takes them from the backstreets of the capital to the hurricane torn roads of

the Florida Keys, where they enlist the help of the army in an attempt to save their father and stop World War 3. Split into 4 parts, this story of adventure and intrigue will have readers eagerly turning the pages right through to the thrilling and action packed ending that no one will see coming. In Part 3, the brothers suspect that something crooked is going on in the small town of Flamingo, but what? And in such a remote place with so few residents, how is it no one remembers their father?

To make matters worse, while searching, a trap is suddenly sprung upon them!
