We took a low-mileage, ex-military, unregistered Series III Land Rover, stripped it down to its bare bones, and then blended it with an original Series III Station Wagon in very poor condition. After stirring into the pot a selection of new and modified parts from a number of different sources, we ended up with the most immaculate and user-friendly Series III you could imagine. Here's how you can restore or modify your own Series III, from suspension, brakes, and steering, to engine, transmission and body improvements. You want better seats? Galvanized chassis and bulkhead? Immaculately restored body and mechanical components? This manual has the answers. Featuring advice on rebuilding the rear body tub, the bulkhead, Station Wagon side frames, and much more besides, this book is a must!
