The General Motors G-Body is one of the manufacturer's most popular chassis, and includes cars such as Chevrolet Malibu, Monte Carlo, and El Camino; the Buick Regal, Grand National, and GNX; the Oldsmobile Cutlass Supreme; the Pontiac Grand Prix, and more. This traditional and affordable front engine/rear-wheel-drive design lends itself to common upgrades and modifications for a wide range of high-performance applications, from drag racing to road racing. Many of the vehicles GM produced using this chassis were powered by V-8 engines, and others had popular turbocharged V-6 configurations. Some of the special-edition vehicles were outfitted with exclusive performance upgrades, which can be easily adapted to other G-Body vehicles. Knowing which vehicles were equipped with which options, and how to best incorporate all the best-possible equipment is thoroughly covered in this book. A solid collection of upgrades including brakes, suspension, and the installation of GMs most popular modern engine-the LS-Series V-8-are all covered in great detail. The aftermarket support for this chassis is huge, and the interchangeability and affordability are a big reason for its popularity. It's the last mass-produced V-8/rear-drive chassis that enthusiasts can afford and readily modify. There is also great information for use when shopping for a G-Body, including what areas to be aware of or check for possible corrosion, what options to look for and what should be avoided. No other book on the performance aspects of a GM G-Body has been published until now, and this book will serve as the bible to G-Body enthusiasts for years to come.

A thrilling boxed set including The Last Patriot, The Apostle, and Foreign Influence, from #1 New York Times bestselling author Brad Thor. Both a must-have for any fan of Brad Thor and the perfect introduction to his masterful thrillers, this handsomely bound edition is one of four special Collector ' s Editions, available now. Follow counterterrorism operative and ex-SEAL Scot Harvath ' s action-packed exploits, and discover why Brad Thor has been called " America ' s favorite author " (KKTJ). The Last Patriot June 632 A.D.: The prophet Mohammed shares a final and startling revelation. Within days, he is assassinated. September 1789: Thomas Jefferson uncovers a conspiracy that could change the face of Islam. Present day: Men still kill to keep the secret hidden. When a car bomb explodes outside a Parisian caf é , counterterrorism operative Scot Harvath is thrust back into the life he has tried desperately to leave behind. In a race to uncover an ancient secret with the power to stop militant Islam, Harvath will risk everything to reclaim Mohammed ' s final revelation and defeat one of the deadliest evils the world has ever known. The Apostle Every politician has a secret. And when the daughter of a politically connected family is kidnapped abroad, America ' s new president will agree to anything—even a deadly and ill-advised rescue plan—in order to keep his secret hidden. But when covert counterterrorism operative Scot Harvath is assigned to infiltrate one of the world ' s most notorious prisons and free the man the kidnapers demand as ransom, he quickly learns that there is much more to the operation than anyone dares to admit. As the subterfuge is laid bare, Harvath must examine his own career of ruthlessly hunting down and killing terrorists and decide if he has what it takes to help one of the world ' s worst go free. Foreign Influence Buried deep within the black ops budget of the Department of Defense, a newly created spy agency reports only to a secret panel of military insiders. Its job: target America ' s enemies—both foreign and domestic— under charter of three simple words—Find, Fix, and Finish. When a bombing in Rome kills a group of American college students, the evidence points to a dangerous colleague from Harvath ' s past. Leveraging this relationship to lure the suspect out of hiding, Harvath must destroy him. But what if it is the wrong man? In Chicago a young woman is struck by a taxi in a hit-and-run, and the family ' s attorney uncovers a shocking connection to the Rome bombing. Harvath must link together the desperate violence, and race to prevent one of the most audacious and unthinkable acts of war in the history of mankind.

These days, there are many advantages to buying a used car over a new car. Unfortunately, purchasing a used car may pose a greater risk to the consumer. A used car in its nature will most likely need more repairs, lack newer safety measures, and may come with a short warranty or none at all. That is why it is so important for consumers to do extensive research so they can avoid all of the pitfalls of the used car market category. The auto experts at "Consumer Reports" have done the work for you and have compiled their extensive research and report their findings into the 2006 edition of "Used Car Buying Guide." This fabulous tool will help steer any consumer who is in the market for a used car towards the better-performing and more reliable used car models and away from those models with a troubled past or substandard performance. Before consumers set foot on a used car lot, they should read all the valuable information provided in this book so they can be armed with as much information as possible and the knowledge to make an educated choice. "Consumer Reports" knows cars and offers the most detailed and revealing used car reliability information available anywhere including: - Reviews of every major model from 1998 - 2005 - Lists of the best and worst used vehicles and how to avoid a lemon - A checklist of what to look for when inspecting a used car - Tips on negotiating the best price Reliability and crash test information - Making sense of safety information The majority of this book is devoted to the profiles of 256 cars and trucks, presenting all major 1998-2005 models. Each profile contains a photo from the representative year, a write-up of the vehicle, reliability history, crash-test data, and the model years when key safety gear was added and when a major redesign was made.
