This enjoyable, engagingly readable book provides a detailed roadmap for rebuilding and restoring unit-construction Triumph and BSA twins without spending a fortune. The book is organized just as you would a rebuilding project, starting with selecting a bike to work on and finishing with bringing all the pieces together to ride. It contains the practical, down-to-earth information you wish the factory manuals had, but don't. Brown passes along the tips, shortcuts, and money-saving advice

he has acquired over a span of 20 years working with British motorcycles. Every aspect of refurbishing unit-construction British twins is covered: engine work, transmissions, frame repairs, shocks and forks, brakes, tanks, and those pesky Amal carbs and Lucas electrical systems. The book also helps you choose a bike to buy, including how to spot bogus serial numbers and avoid stolen goods. Whether you want to build a concours quality restoration or simply put a good-looking, reliable British bike on the road, you will find plenty of helpful information here.

and accolades in all walks of life. Notre Dame: Where Have You Gone? catches up with Fighting Irish players—from All-Americans and a former head coach to a few guys who barely made it off the bench, but reached their greatest achievement after leaving football. Fans will read how quarterback Tom Krug became Dick Vitale's grandson, receiver Joey Getherall came to join the Los Angeles police department, and running back Nick Eddy is now teaching special education. These and countless other stories capture the flavor and spirit that is Notre Dame football.
