Barrow, Alaska, is a  
town where from  
November 18th to  
December 17th, each  
year, they have thirty  
days of night, since  
due its position in the  
globe, the sun isn ' t  
visible over there  
during that period.

30 Days of Night, Vol. 9: Eben and Stella by Steve Niles

This volume of 30 Days of Night follows Eben and Stella's continuing adventures as Stella unwittingly finds herself with custody of a vampire baby, which sets up the conflict of the story. Overall a decent read although the characters were tough to distinguish from each other at times. Pretty good artwork as well.

Dark days is the sequel to 30

days of night and follows Stella

as she attempts to reveal the

existence of vampires to the

world.. Stella is one of the few

survivors of the Barrow

massacre and her journey takes

her into the heart of Los

Angeles, not the pretty sunshine

side but the more grittier,

underworld side.

I enjoyed the original three-issue “ 30 Days of Night ” series. That book imagines a vampire attack on Barrow, Alaska during the winter when the sun does not rise for weeks. That concept of eliminating one of the vampires ’ greatest vulnerabilities while putting the survivors in the demoralizing state of being hunted in the darkness and brutal cold makes for a

visceral story.

This volume picks up at the end of  
the vampire raid on the Los  
Angeles FBI offices, a raid whose  
primary goal is to retrieve the  
remains of Stella Olemaun. The  
vampire-savvy agent, Alice Blood,  
seems to be the sole survivor  
(more properly, only one not  
turned into a vampire for Eben  
Olemaun ' s army of the undead.)
