Over the course of the last three years I began to write the words in this devotional as the Lord wrote them on my heart. The more I wrote, the more I felt God's presence. I struggled to see myself as God saw me, and I was depressed, felt

rejected, unloved, ugly, and broken. Through the words of this writing, God healed my broken spirit and strengthened me. I have found peace and joy in His Word, and through prayer and dreams that He has given to me. My prayer that the words in this devotional will help you overcome and be encouraged - you are not alone in this fight. You are a masterpiece of an Almighty God and you are loved beyond measure!

Offering more than just five easy steps to say farewell to tradition, Dr. Roslyn Ashford wants to spiritually grow you to make the most of your next season with thirty powerful declarations. And this 14-day Christian devotional centers on starting something new—all words lead to a happy,

new, and whole life. Access the Year You Want Where would we be without tradition? Making prosperous decisions, being uncommon, getting over our mistakes, and blazing new trails. Dr. Ashford, a former professional counselor, knows that true transformation involves more than pressing reset at midnight. What we need is to put down old words, ditch words that have no power, and declare words of life to access the year we want. We long to have the desires of our heart met, and God hears us. As His words allow us to have a crystal-clear clarity to hear Him, we'll walk boldly from the religions and rituals

that hold us captive. We will not be faint in our wilderness. We'll be blessed on our journey. And we will arrive at abundant living.

30-Day Devotional from Heaven Spoken Words from God Kirkdale Press

She wants faith, hope, and love. She wants help and healing. She wants to hear and be heard, to see and be seen. She wants things set right. She wants to know what is true—not partly true, or sometimes true, or almost true. She wants to see Truth itself, face-to-face. But here, now, these things are all cloudy. Hope

is tinged with hurt. Faith is shaded by doubt. Lesser, broken things masquerade as love. How does she find something permanent when the world around her is always changing, when not even she can stay the same? And if she finds it, how does she hold on? She Reads Truth tells the stories of two women who discovered, through very different lives and circumstances, that only God and His Word remain unchanged as the world around them shifted and slipped away. Infused with

biblical application and Scripture, this book is not just about two characters in two stories, but about one Hero and one Story. Every image points to the bigger picture—that God and His Word are true. Not because of anything we do, but because of who He is. Not once, not occasionally, but right now and all the time. Sometimes it takes everything moving to notice the thing that doesn't move. Sometimes it takes telling two very different stories to notice how the Truth was exactly the same in both of

---

them. For anyone searching for a solid foundation to cling to, *She Reads Truth* is a rich and honest Bible-filled journey to finally find permanent in a world that's passing away.
