In his classic book, *The Five Dysfunctions of a Team*, Patrick Lencioni laid out a groundbreaking approach for tackling the

perilous group behaviors that destroy teamwork.

Here he turns his focus to the individual, revealing the three indispensable virtues of an ideal team player. In *The Ideal Team Player*, Lencioni tells the story of Jeff Shanley, a leader desperate to save his uncle's company by restoring its cultural commitment to teamwork. Jeff must crack the code on the virtues that real team players possess, and then build a culture of hiring and development around those virtues.

Beyond the fable, Lencioni presents a practical framework and actionable tools for identifying, hiring, and developing ideal team players. Whether you're a leader trying to create a culture around teamwork,

a staffing professional looking to hire real team players, or a team player wanting to improve yourself, this book will prove to be as useful as it is compelling.

The Best Damn Answers to Life's Hardest Questions

Sourcebooks, Inc.

“Everything a really great music memoir should be.” —Colin Meloy The Pogues injected the fury of punk into Irish folk music and gave the world the troubled, iconic, darkly romantic songwriter Shane MacGowan. Here Comes

Everybody is a memoir written by founding member and accordion player James Fearnley, drawn from his personal experiences and the series of journals and correspondence he kept throughout the band's career. Fearnley describes the coalescence of a disparate collection of vagabonds living in the squats of London's Kings Cross, with, at its center, the charismatic MacGowan and his idea of turning Irish traditional music on its head. With beauty, lyricism, and great candor, Fearnley tells the story of how the band watched helplessly as their singer descended into a dark and isolated world of drugs and drink, and sets forth the

increasingly desperate measures they were forced to take. James Fearnley was born in 1954 in Worsley, Manchester. He played guitar in various bands, including The Nips with Shane MacGowan, before becoming the accordion player in The Pogues. Fearnley continues to tour with the band and lives in Los Angeles.
