Caterpillar Marine 3116 first start

The dt 466 is definitely a proven engine. I'm looking for a newer crane, no more than 5 years old. But they all have either a cat 3116, 3126, or c-7 all of which are known to have problems. I have found a freightliner with a mercedes MB4000 engine, I've done some research on these engines and they seem to be the best in this class. They have some of ...

When a cylinder shattered, it was impossible to replace -- seems the electronic 3116 was primarily a marine engine, put in few trucks. Ended up replacing it with a 3126 -- diesel shop handled it, so I don't know what all was involved. It was and is a pooch uphill. The 3126 has a little more top-end out on the road.
