10 Best and Worst Diesel Engines in History - Capital ...

Remembering The Cat 3116 Diesel Engine It's been a few months since we sold our last bus with a Cat 3116 diesel engine. They were a well built engine but their top end was weak. It was #5 exhaust valve that would blow up in the cylinder and make a big mess. Actually the valve stem would separate and the bottom half of the valve would bounce around and make major impressions on the piston and ...
