No engine modifications needed- direct bolt in; Fuel pump mounted to HPOP not included; Mounting gasket o-ring included

3116 and 3126 Truck Engines Fuel Pressure Inspection ...

I checked the fuel pressure at the primer pump filter and it was only 15 PSI and should be 25. I can only find one fuel filter and can't find the other. I have looked for a diagram of the engine everywhere online and can't find it to find where the second filter would be. The one I replaced was not collapsed.
