The GM Performance Parts 350 HO Base trim level crate engine offers you all of the same great performance capability and internal components as the Chevy crate

engine 350 HO Deluxe (and 350 HO Turn-Key) including chrome valve covers and timing cover, but it comes without the intake manifold, carburetor, water pump, balancer, distributor, and damper—parts that you likely have in your garage already.

Designed by GM in-house

engineers to give you maximum return for your hot rod dollar, the Chevy Performance 350 HO Base crate engine is a great choice for your small block crate engine needs. The 350 HO is based on a tough, Chevy four-bolt block that holds a strong nodular iron crankshaft, good rods, and aluminum pistons. The high-lift camshaft gives this crate engine its own unique, aggressive idle. The cam is based on the same one found in 1965-67 Corvette 327 engines, but it has even more ...
