Piper thinks Owen Vincent is a tool. Once they finish up with their internship she never

wants to see him again. From the look at the Alpha Chi "hit list" NEW YORK TIMES and USA TODAY bestselling author, Addison Moore ...Cosmopolitan Magazine calls Addison's books, "...easy, frothy fun!" Piper James' first year at Whitney Briggs is starting off great, new friends, a potential sorority, and plenty of guys to choose from. Once she secures a spot in Alpha Chi, she'll have the greatest freshman year on record. But it just takes one of things she needs to do to get in and she know there's trouble—and trouble's name is Owen Vincent. Taming a player sounds impossible. Owen is the only player she knows and he certainly fits the bill, cocky, too many notches to count on his bedpost, and an aversion to relationships. Making Owen believe she wants him is pretty low, even if this entire fling is just a means to an end. But

now she can't stop thinking about him. Yeah, he thinks he's God's gift to women, but now a part of her is kind of starting to agree. Girls are still dripping all over him like honey. Piper thinks there's no way he'd be interested in a commitment with her. Maybe Alpha Chi isn't what she wants. Maybe it's Owen? It's a brand new year at Whitney Briggs and things are about to get wild. Reckless Kisses (3:AM Kisses 16) One World Two Strangers. Six Weeks.*From New York Times bestselling author Addison Moore comes a Social Experiment of HILARIOUS and hot proportions! *A romantic comedy*Rowen Garret is a jackass of the highest order. I knew signing up for some experimental dating experience would not pan out to be a good thing, but after kissing a stranger in the dark for five solid savory minutes only to have the lights come on and expose him for the jerk he is, I have the sudden urge to strangle my new roommate who talked me into this nightmare.Sophie Meyer is a handful. I should know, I hung out in her living room for so long I became a fixture. But that was when her older brother, Braden, and I

actually got along, before he snatched my long time girlfriend out from underneath me and stopped speaking to me as if I were the one who hijacked his life. And now here I am with his feisty little sister in my arms, her face lit up in horror at the thought of what we've just done. I would never kiss Sophie Meyer under normal circumstances, never even entertain the thought. Nope, this was a bad idea through and through. This is one social experiment I never want to think about again. But one thing is for sure. I will never forget that kiss.Two strangers, six weeks, the social experiment says the odds are in their favor, Rowen and Sophie says they aren't.
