Quinny & Hopper Lerner Publications ™
In 1933, what's left of the Turner family--twelve-year-old Hallie and her two brothers--finds itself driving the back roads of rural America. The children have been swept up into a new migratory way of life. America is facing two devastating crises: the Great Depression and the Dust Bowl. Hundreds of thousands of people in cities across the country have lost jobs. In rural America it isn't any better as crops suffer from the never-ending drought. Driven by severe economic hardship, thousands of people take to the road to seek whatever work they can find, often splintering fragile families in the process. As the Turner children move from town to town, searching for work and trying to cobble together the basic necessities of life, they are met with suspicion and hostility. They are viewed as outsiders in their own country. Will they ever find a place to call home? New York Times-bestselling author Sandra Dallas gives middle-grade readers a timely story of young people searching for a home and a better way of life.

Flood lights Terrific for family game nights, vacations, car trips, and church groups.

The Chocolate Touch Let's Leap Ahead
Eight-year-old Ruby Booker is the baby sis of Marcellus (11), Roosevelt (10), and Tyner (9), the most popular boys on Chill Brook Ave. When Ruby isn't hanging with her friend, Theresa Petticoat, she's finding out what kind of mischief her brothers are getting into. She's sweet and sassy and every bit as tough as her older siblings. She sings like nobody's business; she has a pet iguana named Lady Love; her favorite color is grape-jelly purple; and she has BIG plans. She's going to be the most famous woman animal doctor on the planet. She's the fabulous, oh-so-spectacular Ruby Marigold Booker! In Book 2, a zoologist is coming to visit Ruby's school, and there will be one representative from grade levels 2-8 chosen to compete in an animal trivia contest. The winner will land season passes to the Chill Brook Zoo for everyone in their grade level. Ruby, who can absorb factual information quickly and recall it at any time, is the third grade delegate, and her brothers are on board to help--or hinder--her preparation.

Summer Bridge Explorations prepares your third-grade graduate for fourth grade through progressive lessons and project-based learning. This dynamic workbook strengthens cross-curricular skills with a focus on arithmetic, grammar, and comprehension. Summer Bridge Explorations keeps the learning going. --With this dynamic series, students entering grades 1 to 4 prepare for the new year through project-based learning. Grade-level workbooks are divided into three progressive sections, one for each month of summer, and each of these sections is built around a theme-based activity that connects real-world learning with summer fun. Your child will keep learning alive by applying new skills in fun ways, all while enjoying everything summer has to offer. Lessons and activities span the curriculum, supporting growth in math, reading, writing, social studies, science, and the arts.
National Geographic Kids Quiz Whiz 3 Teacher Created Resources
Disguise learning time as fun family bonding time. Studies have found that when kids associate learning with a strong positive emotion, they're more likely to retain information. What if you could give them this without piling on extra homework or trying to make fractions more interesting? Learning should be fun. And when it's done right, children shouldn't even be aware that it's happening. In times of need, fun trivia games are your secret weapon... and as an added bonus, you'll even boost your chances of winning future pub quizzes! Asking and answering trivia questions has been shown to not only enhance children's intelligence, but also their memory. And when this is incorporated into your family's quality bonding time, it creates the ultimate activity sure to tick off any parent's boxes. In 537 Hilarious Trivia Questions for Kids: Questions and Answer Book for Kids, you'll find hours of fun and knowledge. You'll discover: A guaranteed way to capture even the most reluctant learner's attention 537 fun and engaging questions to challenge the whole family Easy-to-find answers so no one is left in the dark A foolproof way to keep the

little ones occupied during long car rides Unusual facts that your kids will be dying to find the answers to--and even learn from in the process A rich mixture of pop culture, sports trivia, and general knowledge questions Questions that allow the adults to learn just as much as the children A refreshing alternative to dry workbooks and school quizzes And much more. It can be hard to justify quality family time when you're worrying about making sure your kids are prioritizing their education--but you don't have to choose. Research shows that learning is most successful when it's fun. Is there any better excuse to put down the homework and start playing together? If you want to boost your child's knowledge without them whining in boredom, then click "Add to Cart" right now.

Always, Abigail On The Mark Press
Quinny has a lot to say. Hopper gets to the point. Quinny has one speed: very, very, extra-very fast. Hopper proceeds with caution. Quinny has big ideas. Hopper has smart solutions. Quinny and Hopper couldn't be more different. They are an unstoppable team. But when summer ends, things suddenly aren't the same. Can Quinny and Hopper stick together in the face of stylish bullies, a killer chicken, and the brand-new Third Grade Rules-especially the one that says they aren't allowed to be friends anymore? Praise for Quinny & Hopper: "First-time children's author Schanen skillfully captures Quinny's zest and Hopper's timidity through their interactions and alternating

narratives, and Swearingen's smudgy spot illustrations amplify the lively tone. The story's best moments showcase the spirited friendship between Quinny and Hopper, but there's much to appreciate throughout this exuberant debut." -- Publishers Weekly "The book is engrossing, and the likable duo change and grow in believable ways. Quinny and Hopper, who take turns narrating, have distinct, well-differentiated voices, and Schanen makes good use of her individuated secondary characters as well. Swearingen's black-and-white drawings both capture the spirit of the characters and enhance the narrative. This endearing story about true friendship should appeal equally to boys and girls." -- Kirkus Reviews
