4/6 drop, 4.10 gears, Exhaust, stickers(more power) lol Its hard to shift the nv3500 manual transmission fast from 2nd to 3rd but every now and then I can chirp 3rd gear.

### **Chevrolet S10 Manual Transmission - Remanufactured ...**

This transmission incorporates a Super T10 4 speed with an automatic overdrive. The overdrive can come on in second, third, and fourth gears... thus 4 + 3! It is only used in Corvettes made in 1984 to 1988 and is not recommended to be swapped into street rod applications.

Can anyone tell me anything about the manual transmission in a 1993 4.3 5 speed? Would like to know who made it, are parts available for it, and is there any other lubricant besides the recommended ATF that would be better for it? My experience with ATF is it is not a very good lubricant, and it...
