Back For More! Allen & Unwin

Since a deadly virus and the violence that followed wiped out his parents and most of his community, Finn has lived alone on the rugged coast with only his loyal dog Rowdy for company. He has stayed alive for two winters—hunting and fishing and trading food, and keeping out of sight of the Wilders, an armed and dangerous gang that controls the north, led by a ruthless man named Ramage. But Finn ’ s isolation is shattered when a girl runs onto the beach. Rose is a Siley—an asylum seeker—and she has escaped from Ramage, who had enslaved her

and her younger sister, Kas. Rose is desperate, sick, and needs Finn ’ s help. Kas is still missing somewhere out in the bush. And Ramage wants the girls back—at any cost.

‘ Tense and atmospheric...Mark Smith ’ s debut is assured, gripping and leaves you wanting more. ’ Best Books for Younger Readers 2016, Sydney Morning Herald

‘ It ’ s easy to see why Mark Smith ’ s dystopian thriller has been compared with John Marsden ’ s Tomorrow When the War Began. I barely came up for breath as the pages flew. So strap yourself in for a high action ride. ’ Kids Book Review ‘ A riveting story of survival that questions the prices of freedom and safety as well as the value of an individual life...A breakout new series full of romance, danger, and a surprisingly engaging world. ’ STARRED Review, Kirkus Reviews

‘ A solid debut. ’ Publishers Weekly ‘ It ’ s been suggested more than once that dystopian fiction has had its day...but The Road to Winter is a welcome sign that there ’ s still life in the genre. ’ Armadillo National Automotive Sampling System, Crashworthiness Data System National Geographic Books

Vehicle-dependent Expedition Guide Motorbooks Unlikely couples, matchmakers, and moral dilemmas are the heart of the Best Intention series, a collection of novellas set in a business environment where negotiations and deals turn personal... The Sweetest Deal is Book One in this series. Ian Woodford is about to close the most important business transaction of his life and realize his father ’ s dream—all he has to do is agree to one request: give the man who ’ s controlling the deal a grandchild. The proposition is every level of wrong, but an arrangement like this would honor his father ’ s memory, and while Ian can never replace the child he lost, it would give him an opportunity for another child, this time without the encumbrance of a wife. But the more time he spends with C.C., the more he realizes he wants her for more than a way to get a deal and a child... C.C. aka Catherine Crowell gave up on dreams of a family after Mr. Worse-Than-Wrong broke her heart. Hiding behind spreadsheets, and oversized suits, she ’ s determined to show her business-mogul father she ’ s capable of taking over his company and won ’ t be fooled by smooth talking liars again. Her work has become her life, and while she ’ d love a child, that ’ s not going to happen. When Ian Woodford, the company ’ s newest business partner, shows interest in her, C.C. ’ s more than a little suspicious, and determined to find out if his intentions are real, and what she plans to do about it if they are...or aren ’ t. It ’ s going to get messy and once the truth come out, as it always does, it ’ s going to take more than one matchmaker to get the sweetest deal. Madison made history in the sixties. Landmark civil rights laws were passed. Pivotal campus protests were waged. A spring block party turned into a three-night riot. Factor in urban renewal troubles, a bitter battle over efforts to build Frank Lloyd Wright ' s Monona Terrace, and the expanding influence of the University of Wisconsin, and the decade assumes legendary status. In this first-ever comprehensive narrative of these issues—plus accounts of everything from politics to public schools, construction to crime, and more—Madison historian Stuart D. Levitan chronicles the birth of modern Madison with style and well-researched substance. This heavily illustrated book also features annotated photographs that document the dramatic changes occurring downtown, on campus, and to the Greenbush neighborhood throughout the decade. Madison in the Sixties is an absorbing account of ten years that changed the city forever.

A New York Times bestseller! The follow up to the #1 New York Times bestselling An Inconvenient Truth and companion to Vice President Al Gore ' s new documentary, An Inconvenient Sequel: Truth to Power, this new book is a daring call to action. It exposes the reality of how humankind has aided in the destruction of our planet and delivers hope through groundbreaking information on what you can do now. Vice President Gore, one of our environmental heroes and a leading expert in climate change, brings together cutting-edge research from top scientists around the world; approximately 200 photographs and illustrations to visually articulate the subject matter; and personal anecdotes and observations to document the fast pace and wide scope of global warming. He presents, with alarming clarity and conclusiveness (and with humor, too) that the fact of global climate change is not in question and that its consequences for the world we live in will be assuredly disastrous if left unchecked. Follow Vice President Gore around the globe as he tells a story of change in the making. He connects the dots of Zika, flooding, and other natural disasters we've lived through in the last 10+ years—and much more. The book also offers a comprehensive how-to guide on exactly how we can change the course of fate. With concrete, actionable advice on topics ranging from how to run for office to how to talk to your children about climate change, An Inconvenient Sequel will empower you to make a difference—and lets you know how exactly to do it. Where Gore ' s first documentary and book took us through the technical aspects of climate change, the second documentary is a gripping, narrative journey that leaves you filled with hope and the urge to take action immediately. This book captures that same essence and is a must-have for everyone who cares deeply about our planet.
