While vacationing in the mountains, Eric meets an unusual girl, Susan, who has sparkling, emerald eyes that are unusually captivating. They are a unique, singular shade of green and seem to be imbued with an ancient fire that even a spoiled, youthfully unperceptive Eric

could easily feel. He senses a strange maturity about this mysterious girl and is drawn to her like a magnet. When I said we would never be married, I meant in your way, Susan said. Will you marry me in my way? Right now? Even though numerous questions clamored in his head, Eric easily replied, Of course. Eric's answer was far too easy in Susan's opinion. As she mused over his quick reply, she speculated on how to best explain their strange situation in terms that he could understand, an impossibility to do beforehand. He would have to commit himself, then learn the truth. It was unfair to the extreme, yet unavoidable under these very peculiar circumstances, and thus Eric is drawn into a mysterious world.

I Will Survive is the story of Gloria Gaynor, America's "Queen of Disco." It is the story of riches and fame, despair, and finally salvation. Her meteoric rise to stardom in the mid-1970s was nothing short of phenomenal, and hits poured forth that pushed her to the top of the charts, including "Honey

Bee," "I Got You Under My Skin," "Never Can Say Goodbye," and the song that has immortalized her, "I Will Survive," which became a #1 international gold seller. With that song, Gloria heralded the international rise of disco that became synonymous with a way of life in the fast lane - the sweaty bodies at Studio 54, the lines of cocaine, the indescribable feeling that you could always be at the top of your game and never come down. But down she came after her early stardom, and problems followed in the wake, including the death of her mother, whose love had anchored the young singer, as well as constant battles with weight, drugs, and alcohol. While her fans always imagined her to

be rich, her personal finances collapsed due to poor management; and while many envied her, she felt completely empty inside. In the early 1980s, sustained by her marriage to music publisher Linwood Simon, Gloria took three years off and reflected upon her life. She visited churches and revisited her mother's old Bible. Discovering the world of gospel, she made a commitment to Christ that sustains her to this day.

Towards Understanding the Intrinsic in Body Movement Robert Reed Publishers

This memoir is the story of my childhood and teen years. It begins when I was very young with my parents' divorce, then goes on to living with a spiteful and unloving stepmother, World War II, my father being wounded, the fear of the approaching Russian front, our fleeing from them and bombings. After the end of war, as we tried to make our way back home, I was terrified of the Russian soldiers and war prisoners who roamed our countryside. I feared my father would be shot or imprisoned. I listened to women screaming for help while being raped. I endured the sorrow of losing my beloved father,

followed by living with my stepmother's cruelty. My agony ended with the happy reunion with my real mother, my sister, Oma my loving grandmother, and family. After WWII ended, my family and I lived behind the "Iron Curtain" in East Germany under the Russian occupation Stalin's "Iron Fist." His communist regime imposed such strict isolation and extreme hunger on us that in June of 1953 the citizens of East Germany waged an unsuccessful uprising to gain freedom from Russia and communism. Finally, in the fall of 1953, when I was eighteen, we escaped to West Germany. These are the memories of my childhood and teen years.

In the 1720s and 1730s, Jean-Baptiste Oudry established himself as the preeminent painter in France of hunts, animals, still lifes, and landscapes. Oudry 's Painted Menagerie focuses on a suite of eleven life-size portraits of exotic animals from the royal menagerie at Versailles, painted by Oudry between 1739 and 1752. These paintings eventually found their way

into the ducal collection in Schwerin, Germany. Among them is the magnificent portrait of Clara, an Indian rhinoceros who became a celebrity in mid-eighteenth-century Europe. Her portrait has been out of public view for more than a century, and it is presented here in its newly conserved state.
