What does the girl who can make wishes come true give to the man who has everything? Andra Martineau is no ordinary young woman. She's a Klêidouchos Propylaia (K-Pro for short), which means she has the unique ability to help certain people get exactly what they want. And Andra is good at her job--her clients have gone on to become a veritable who's who of the rich-and-famous. David Styles is an up-and-coming actor with everything going for him: looks, talent, and countless beautiful women vying for his attention. But when Andra turns up in his bed

demanding to know what he wants, his perfect world starts to spiral out of control. And it's not just his reputation is on the line--what David doesn't know can certainly harm him, in ways he couldn't possibly begin to imagine. With the help of David's incorrigible costar, Andra begins to realize not only her own true nature, but David's hidden identity as well. Andra is forced to battle not only her attraction to David (and she never gets involved with clients), but the being within him that wants to take away everything she holds dear. As David continues to lose himself to the strengthening form within him, Andra navigates the jealousies of the film's director and David's would-be paramour in an

effort to save him. She can make others' wishes come true . . . But can she grant her own? Funny, readable, and populated with a host of entertaining personalities, *The K-Pro* is a fast-paced contemporary fantasy with a paranormal twist. *Never Buy Bread Again*

Mini Down Under traces the history of one of New Zealand's - and the world's - best-loved cars. More versions of the Mini were available in New Zealand than anywhere else, and the launching of the iconic car in February 1960 was a larger-than-life event. In this lively and personal story, the author tracks the Mini's

life in New Zealand, the connection between Kiwi racing driver Bruce McLaren and the birth of the Mini Cooper, the heady days of competition success in the Antipodes, the local assembly and marketing of the classic original car and the eventual development into the latest generation Mini for a new century.

In all of Cairo, only two people can stop him. One is a down-on-his-luck English officer no one will listen to. The other is a vulnerable young Jewish girl. . . .
