Private Government Amsco School Publications, Incorporated

Why our workplaces are authoritarian private governments—and why we can’t see it One in four American workers says their workplace is a “dictatorship.” Yet that number almost certainly would be higher if we recognized employers for what they are—private governments with sweeping authoritarian power over our lives. Many employers minutely regulate workers’ speech, clothing, and manners on the job, and employers often extend their authority to the off-duty lives of workers, who can be fired for their political speech, recreational activities, diet, and almost anything else employers care to govern. In this compelling book, Elizabeth Anderson examines why, despite all this, we continue to talk as if free markets make workers free, and she proposes a better way to think about the workplace, opening up space for discovering how workers can enjoy real freedom.

ALERT: Before you purchase, check with your instructor or review your course syllabus to ensure that you select the correct ISBN. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, you may need a CourseID, provided by your instructor, to register for and use Pearson's MyLab & Mastering products. Packages Access codes for Pearson's MyLab & Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase. Used or rental books If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code. Access codes Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase. -- Updated in a new 2011 Alternate edition, **American Government: Roots and Reform** provides the historical context students need to understand our government and the most crucial and controversial issues affecting the nation in the 21st century. This bestselling book has been extensively revised to provide in-depth coverage of

President Barack Obama's first two years in office and the 111th Congress, the 2010 congressional elections, continued concerns related to the wars in Iraq and Afghanistan, and domestic concerns related to health care reform and the economy.

The Federalist Papers Read Books Ltd

Black & white print. American Government 3e aligns with the topics and objectives of many government courses. Faculty involved in the project have endeavored to make government workings, issues, debates, and impacts meaningful and memorable to students while maintaining the conceptual coverage and rigor inherent in the subject. With this objective in mind, the content of this textbook has been developed and arranged to provide a logical progression from the fundamental principles of institutional design at the founding, to avenues of political participation, to thorough coverage of the political structures that constitute American government. The book builds upon what students have already learned and emphasizes connections between topics as well as between theory and applications. The goal of each section is to enable students not just to recognize concepts, but to work with them in ways that will be useful in later courses, future careers, and as engaged citizens. In order to help students understand the ways that government, society, and individuals interconnect, the revision includes more examples and details regarding the lived experiences of diverse groups and communities within the United States. The authors and reviewers sought to strike a balance between confronting the negative and harmful elements of American government, history, and current events, while demonstrating progress in overcoming them. In doing so, the approach seeks to provide instructors with ample opportunities to open discussions, extend and update concepts, and drive deeper engagement.

5 Steps to a 5: AP U.S. Government & Politics 2017 McGraw Hill Professional Cracking the AP U.S. Government & Politics Exam 2020, Premium Edition, provides students with an in-depth review of all AP U.S. Government & Politics topics, including the institutions of government, elections, political parties, interest groups, public policy, civil rights, constitutional underpinnings, and more.
