Already The Bestselling AP* Psychology Author, Myers Writes His First Exclusive AP* Psych Text Watch Dave G. Myers introduce this new text here. David G. Myers is best known for his top-selling college psychology texts, used successfully across North America in thousands of AP* courses. As effective as Myers' college texts have been for the AP* course, we believe his new text will be even better, because

Myers' Psychology for AP* has been written especially for the AP* course!

Multiple-Choice and Free-Response Questions in Preparation for the AP Psychology Examination Simon and Schuster

Compact Review: Your AP course work most likely covers lots of important concepts. With a whole year's worth of material, how can you tell what to study for the AP exam? We eliminate the guesswork for you, because in this book we provide a thorough yet concise review of all the topics tested on the AP Psych Exam. You see, when a teacher puts a course together, the goal is to help you learn and understand as much psychology as possible. Therefore, a good teacher will supplement the basics of the course with contemporary examples and other interesting illustrations to make the course more relevant.

Although this is arguably the best way to teach a subject, it is not the best way to prepare for a standardized exam. This book, unlike your course in school, has been put together strictly for the purpose of AP Psychology Exam preparation: We focus only on the topics you need to know to do well on the AP Psych Exam.

Cracking the AP Psychology Exam, 2013 Edition Simon and Schuster "Barron's AP Psychology Premium: 2022-2023 includes in-depth content review and online practice. It's the only book you'll need to be prepared for exam day."--from Amazon.com.

5 Steps to a 5 500 AP Psychology Questions to Know by Test Day Research & Education Assoc.

500 Ways to achieve your highest score From Schools of Thought to Research Methods, the Brain, and Neuroscience to Mood Disorders, Therapies, and Social Psychology -- there is a lot of subject matter to know if you want to succeed on your AP Psychology exam. That's why we've selected these 500 AP-style questions and answers that cover all topics found on this exam. The targeted questions will prepare you for what you'll see on test day, help you study more effectively, and use your review time wisely to achieve your best score. Each question includes a concise, easy-to-follow explanation in the answer key. You can use these questions to supplement your overall AP Psychology preparation or run them shortly before the test. Either way, 5 Steps to a 5 500 Psychology Questions will get you closer to achieving the score you want on test day.

CliffsNotes AP Psychology Cram Plan calendarizes a study plan for AP Psychology test-takers depending on how much time they have left before they take the May exam.

AP Psychology 2021 and 2022 Test Prep Barrons Educational Series All Access for the AP® Psychology Exam Book + Web + Mobile Revised for the new 2015 Exam Everything you need to prepare for the Advanced Placement® exam, in a study system built around you! There are many different ways to prepare for an Advanced Placement® exam. What's best for you depends on how much time you have to study and how comfortable you are with the subject matter. To score your highest, you need a system

that can be customized to fit you: your schedule, your learning style, and your current level of knowledge. This book, and the online tools that come with it, will help you personalize your AP® Psychology prep by testing your understanding, pinpointing your weaknesses, and delivering flashcard study materials unique to you. REA's All Access system allows you to create a personalized study plan through three simple steps: targeted review of exam content, assessment of your knowledge, and focused study in the topics where you need the most help. Here's how it works: Review the Book: Study the topics tested on the AP® Psychology exam and learn proven strategies that will help you tackle any question you may see on test day. Test Yourself and Get Feedback: As you review the book, test yourself with 7 end-of-chapter quizzes and 2 mini-tests. Score reports from your free online tests and quizzes give you a fast way to pinpoint what you really know and what you should spend more time studying. Improve Your Score: Armed with your score reports, you can personalize your study plan. Review the parts of the book where you are weakest, and use the REA Study Center to create your own unique e-flashcards, adding to the 100 free cards included with this book. Visit The REA Study Center for a suite of online tools: The best way to personalize your study plan is to get frequent feedback on what you know and what you don't. At the online REA Study Center, you can access three types of assessment: topic-level quizzes, mini-tests, and a full-length practice test. Each of these tools provides true-to-format questions and delivers a detailed score report that follows the topics set by the College Board®. Topic Level Quizzes: Short, 15-minute quizzes are available throughout the review and test your immediate understanding of the topics just covered. Mini-Tests: Two online mini-tests cover what you've studied in each half of the book. These tests are like the actual AP® Psychology exam, only shorter, and will help you evaluate your overall understanding of the subject. Full-Length Practice Test: After you've finished reviewing the book, take our full-length practice exam to practice under test-day conditions. Available both in this book and online, this test gives you the most complete picture of your strengths and weaknesses. We strongly recommend that you take the online version of the exam for the added benefits of timed testing, automatic scoring, and a detailed score report. Improving Your Score with e-Flashcards: With your score reports from the quizzes and tests, you'll be able to see exactly which AP® Psychology topics you need to review. Use this information to create your own flashcards for the areas where you are weak. And, because you will create these flashcards through the REA Study Center, you can access them from any computer or smartphone. REA's All Access test prep is a must-have for students taking the AP® Psychology exam!
