Sports Cars Illustrated Dundurn

D'Vaunte "Rocket" Liberatore lives at the end of the law enforcement food chain as a low-level private investigator. His is a life of cheating spouses, thieving family members, and runaway teens. However, he's successfully used his career to avoid his

personal battles with drugs, sex, violence, and even his own irresistible charm. When he returns to his native Whitetail Village to memorialize his deceased mother, Rocket makes a choice to cash in on his biggest payday opportunity yet. Things soon spin out of control, though, as his new investigation puts him in the crosshairs of homicide detectives and drug dealers. A fire fight explodes on the quiet streets of his childhood. Rocket's actions soon get people killed, including a childhood friend and even an assassin. He can't turn his back and run at the risk of losing more of the people he loves. Instead, he independently takes on the bad guys in a desperate attempt to liberate the innocent from a world of vengeful sociopaths and self-righteous policemen.

The Entity iUniverse

Following their first contentious meeting, Special Agent Jake Carbine and Agent Liz Young seem unlikely co-workers ... but things change when an 86-year-old scientist is brutally murdered in Plattsburgh, NY and Agent Young asks the obvious question, Why would anyone go to such extreme measures to kill an elderly scientist? The modus operandi of the Plattsburgh murder seems similar to a case in Paris where a popular right-wing French presidential candidate was brutally assassinated. These two murders, on opposite sides of the Atlantic, unite Carbine and Young with Interpol agent Anaka Donnatello. At first the cases appear to be the work of a cult but that is where the similarity ends. And the Entity has a special prey in its sights ... the tenacious Agent Young. The Entity is a fast-paced and highly original political thriller. There is dark and light in every breathless chapter ... and when the denouement finally arrives, there is still a twist in the tale.

Ebony AuthorHouse

When it comes to their personal transportation, today's youth have shunned the large, heavy performance cars of their parents' generation and instead embraced what has become known as the "sport compact"--smaller, lightweight, modern sports cars of predominantly Japanese manufacture. These cars respond well to performance modifications due to their light weight and technology-laden, high-revving engines. And by far, the most sought-after and modified cars are the Hondas and Acuras of the mid-'80s to the present. An extremely popular method of improving vehicle performance is a process known as engine swapping. Engine swapping

consists of removing a more powerful engine from a better-equipped or more modern vehicle and installing it into your own. It is one of the most efficient and affordable methods of improving your vehicle's performance. This book covers in detail all the most popular performance swaps for Honda Civic, Accord, and Prelude as well as the Acura Integra. It includes vital information on electrics, fit, and drivetrain compatibility, design considerations, step-by-step instruction, and costs. This book is must-have for the Honda enthusiast.

DJ Ritz Harper used every trick in the book to become a media darling in *Drama Is Her Middle Name*, shock-jock Wendy Williams' s expos é of a life she knows better than anyone. Playing a clever trick of her own, Williams left her heroine on the brink of death at the end of the novel. Now

the second installment of the chronicles reveals what Williams' s readers are dying to know: *Is the Bitch Dead, or What?* The drive-by shooting that brought her down forces Ritz to look back on her climb to the top and the people she loved, lost, used, and abused along the way. There' s the brief dalliance with Tracee, her best friend, and the romance with a man with some secrets of his own; the loss of her beloved Aunt M; and the recent appearance of the father who abandoned her and is now demanding a financial payoff and fifteen minutes of fame. At the heart of it all is Ritz' s need to figure out where the real-life Ritz ends and the radio bitch begins. For the huge audience hooked on *The Wendy Williams Experience* and readers itching to find out what happens to the over-the-top star

of Drama Is Her Middle Name, Is the Bitch Dead, or What? is packed with all the irresistible shocks and insider dish that make Williams the hottest voice in America today.

[Car and Driver](#) iUniverse

From his debut in a six-page comic in 1939 to his most recent portrayal by Christian Bale in the blockbuster *The Dark Knight Rises*, Batman is perhaps the world's most popular superhero. The continued relevance of the caped crusader could be attributed to his

complex character, his dual identity or his commitment to justice. But, as the contributors to this collection argue, it is the fans who, with the patience of Alfred, the loyalty of Commissioner Gordon and the unbridled enthusiasm of Robin, have kept Batman at the forefront of popular culture for more than seven decades. Fan Phenomena: Batman explores the worldwide devotion to the Dark Knight, from his inauspicious beginnings on the comic book page to the cult television series of the 1960s and the critically acclaimed films and video games of today. Considering everything from convention cosplay to fan fiction that imagines the Joker as a romantic lead, the essays here acknowledge and celebrate fan responses that go far beyond the scope of the source material.

As the gatekeepers of Gotham, fans have stood everywhere Bruce Wayne's alter-ego continues vigil over a seventy year mythos, ensuring their to intrigue and inspire.

icon has become more than a comic book character, cartoon hero or big-screen star. As this collection will demonstrate, through the enthusiasm of fans Batman has become what Ra's al Ghul predicted in *Batman Begins*: a legend. Packed with revealing interviews from all corners of the fan spectrum including Paul Levitz, who rose through the ranks of fan culture to become the president of DC Comics, and Michael E. Uslan, who has executive produced every Batman adaptation since Tim Burton's blockbuster in 1989, as well as film reviewers, academics, movie buffs, comic store clerks and costume-clad convention attendees, this book is sure to be a bestseller in Gotham City, as well as
