*Cars & Parts* PIL Kids This illustrated history chronicles electric and hybrid cars from the late 19th century to today's fuel cell and plug-in automobiles. It describes the politics, technology, marketing strategies, and environmental issues that have impacted electric and hybrid cars' research and development. The important marketing shift from a "woman's car" to "going green" is discussed. Milestone projects and technologies such as early batteries, hydrogen and bio-mass fuel cells, the upsurge of hybrid vehicles, and the various regulations and market forces that have shaped the industry are also covered.

*Road & Track* McFarland Completely revised and updated with a focus on civility and inclusion, the 19th edition of Emily Post's *Etiquette* is the most trusted resource for navigating life's every situation From social networking to social graces, Emily Post is the definitive source on etiquette for generations of Americans. That tradition continues with the fully revised and updated 19th edition of *Etiquette*. Authored by etiquette experts Lizzie Post and Daniel Post Senning—Emily Post's great-grandchildren—this edition tackles classic etiquette and manners advice

with an eye toward diversity and the contemporary sensibility that etiquette is defined by consideration, respect, and honesty. As our personal and professional networks grow, our lives become more intertwined. This 19th edition offers insight and wisdom with a fresh approach that directly reflects today's social landscape. Emily Post's *Etiquette* incorporates an even broader spectrum of issues while still addressing the traditions that Americans appreciate, including: Weddings Invitations Loss, grieving, and condolences Entertaining at home and planning celebrations Table manners Greetings and introductions Social media and personal branding Political conversations Living with neighbors Digital networking and job seeking The workplace Sports, gaming, and recreation Emily Post's *Etiquette* also includes advice on names and titles—including Mx.—dress codes, invitations and gift-giving, thank-you notes and common courtesies, tipping and dining out, dating, and life milestones. It is the ultimate guide for anyone concerned with civility, inclusion, and kindness. Though times change, the principles of good etiquette remain the same. Above all, manners are a sensitive awareness of the needs of others—sincerity and good intentions always matter more than knowing which fork to use. The Emily Post Institute, Inc., is one of America's most unique family

**Scientific American** HarperCollins Volume One traces the history of Opel and Vauxhall separately from inception through to the 1970s and thereafter collectively to 2015. Special attention is devoted to examining innovative engineering features and the role Opel has taken of providing global platforms for GM. Each model is examined individually and supplemented by exhaustive supporting specification tables. The fascinating history of Saab and Lotus begins with

their humble beginnings and examines each model in detail and looks at why these unusual marques came under the GM Banner. Included is a penetrating review of Saab through to its unfortunate demise. Volume Two examines unique models and variations of Chevrolet and Buick manufactured in the Southern Hemisphere and Asia but never offered in North America.

Daewoo, Wuling and Baojun are other Asian brands covered in detail. This volume concludes with recording the remarkable early success of Holden and its continued independence through to today. Volume Three covers the smaller assembly operations around the world and the evolution of GM's export operations. A brief history of Isuzu, Subaru and Suzuki looks at the three minority interests GM held in Asia. The GM North American model specifications are the most comprehensive to be found in a single book. Global and regional sales statistics are included. GM executives and management from around the globe are listed with

the roles they held. An index ensures that these volumes serve as the ideal reference source on GM.

*Adweek* Dundurn Kiplinger's Personal Finance *The Atlantic Monthly* Pebble The new Stevens and Windermere novel from one of the most dazzlingly acclaimed new writers in crime fiction. The billionaire picked a heck of a way to die. On a beautiful Saturday in downtown Saint Paul, Minnesota, state investigator Kirk Stevens and FBI special agent Carla Windermere, witness the assassination of one of the state's wealthiest men. The shooter is a young man, utterly unremarkable...except for the dead look in his eyes. And it's only the beginning. The events of that sunny springtime day will lead Stevens and Windermere across the country, down countless blind alleys, and finally to a very flourishing twenty-first century enterprise: a high-tech murder-for-hire social media website. But just who has the dead-eyed shooter targeted next...and who's choosing his victims?
