The independent automakers who had survived the depression of the 1930s had flexibility and enough capital from the war to be the first to launch all-new models for a car-starved nation. So lucrative was the American post-war car market that new automobile companies were also formed to cash in on the pent-up demand for new cars. This is their story told through text and the use of contemporary brochures, period literature, factory photos, road

In Savage Yard, G. F. Harper employs narrative in a poetic prose that captures the realness of the American experience and explores the bewilderment of the human condition. The work is unvarnished and brutally unromantic but at the same time the writing hints at a romantic sense of hope while each poem lives out the gritty reality of Harper's intense perception of life, often driven by a distinctive dark humor style. Harper's work contemplates unemployment, loneliness, love, war, abandonment, and transformation. The images are crisp and Harper has composed a world for readers to bring to life with their imagination.
