In *As the Broken White Lines Become One*, Michael Gehring recounts his spiritual journey through the landscape of late-twentieth-century southern American Christianity. This account depicts how and why he drifted away from the Roman Catholic Church, fellowshipped for a while with the Assemblies of God, sojourned for a prolonged time as an outsider to the institutional church, and eventually found a theological home within United Methodism. What follows is a spiritual journey with a lot of turns. The work is not intended to be a complete autobiography. Significant biographical details and relationships are not included as this narrative focuses on the

shifting and sifting grounds of American Christian denominations. This chronicle primarily concerns the spiritual journey that led him to United Methodism and what it was like, not only to choose it, but also to inhabit it.
