The best-selling Honda ever, the long-running Honda Mini Trail, was available in a huge range of models, even within each model year. The Honda Mini Trail Enthusiast's Guide covers all Honda Mini Trails and Z50 bikes produced between 1968 and 1999. Author Jeremy Polson begins with a brief introduction of the models that led up to the Mini Trail, and then jumps into a thorough analysis of the many models and iterations that Honda has offered through the years. Despite the worldwide popularity of Honda's best-selling model, no other Mini Trail book had been published, and the accuracy of information found on the Internet is suspect at best. For Z50 collectors and enthusiasts, this book presents facts and figures found nowhere else. In addition to the hard facts regarding each model of each year, this book is filled with many rare photos that track the evolution of the Mini Trail, and unravel its mystery.

Suspension is probably the most misunderstood aspect of motorcycle performance. This book, by America's premier suspension specialist, makes the art and science of suspension tuning accessible to professional and backyard motorcycle mechanics alike. Based on Paul Thede's wildly popular Race Tech Suspension Seminars, this step-by-step guide shows anyone how to make their bike, or their kid's, handle like a pro's. Thede gives a clear account of the three forces of suspension that you must understand to make accurate assessments of your

suspension's condition. He outlines testing procedures that will help you gauge how well you're improving your suspension, along with your riding. And, if you're inclined to perfect your bike's handling, he even explains the black art of chassis geometry. Finally, step-by-step photos of suspension disassembly and assembly help you rebuild your forks and shocks for optimum performance. The book even provides detailed troubleshooting guides for dirt, street, and supermoto--promising a solution to virtually any handling problem. Riding for God's Glory So whether you eat or drink or whatever you do, do it all for the glory of God. Romans 14:23 If you're a biker and a Christian, have you considered that riding, can be an activity that brings glory to God, draws you closer to His creation and provides an opportunity to share your faith with fellow riders? Motorcycle and Jesus enthusiast Tim Riter has some amazing stories and spiritual truths he's collected from riding over 200,000 miles, covering 46 states, and three countries. Discover what happens when a long-haired hippie biker strolls into a redneck bar a new back tire causes a dangerous spill a chance encounter with an angry driver turns into a 20-mile chase These and other engaging devotions will show you how your faith blends into your riding and help you experience that same sense of adventure you get from motorcycling in your walk with God, or in this case, your "ride

with God."
