As Toyota skids into an ocean of problems and uncertainty continues in the U.S. automotive industry, Lemon-Aid Used Cars and Trucks 2011/2012 shows buyers how to pick the cheapest and most reliable vehicles from the past 30 years. Lemon-Aid guides are unlike any other car and truck books on the market. Phil Edmonston,

Canada's automotive Dr. Phil for 40 years, pulls no punches. Like five books in one, Lemon-Aid Used Cars and Trucks is an exposé of car scams and gas consumption lies; a do-it-yourself service manual; an independent guide that covers beaters, lemons, and collectibles; an archive of secret service bulletins granting free repairs; and a legal primer that even lawyers can't beat! Phil delivers the goods on free fixes for Chrysler, Ford, and GM engine, transmission,

brake, and paint defects; lets you know about Corvette and Mustang tops that fly off; gives the lowdown on Honda, Hyundai, and Toyota engines and transmissions; and provides the latest information on computer module glitches.

That's exactly what Aimee encountered with a six-year romantic relationship with a deceitful man. Growing in the Christian faith, She knew She wanted to continue following Jesus; with that, the enemy knew the

right tactics to make her believe she was doing that with a man named Bryce, that wasn't living up to the expectations she had. Encountering all the infidelities, lies and deceit she still refused to let go of the relationship which was causing her to become blinded to the reality of it. It took God to remove Bryce from her life entirely, in order for her to regain her worth and restore what she had lost within herself. God is so compassionate that He did not forget the desires of my heart even after. In the midst of

getting over what happened between her and Bryce, He places someone she believed is not a good fit. Little did she know God is behind this one. Never did she once think she was going to meet the man of her dreams and future husband so soon after her break up with Bryce. Even though it was no easy task to adapt to another man after him, Nelson opened her eyes to see that not all men are the same and that it is possible to love flawlessly if you just let go.
