The Advocate GAVEA LAB
With over half-a-million copies sold worldwide, come see why readers and authors alike all call this, "an unforgettable story that will stay with you for years," by New York Times Bestselling Author, J. Sterling. He's a game she never intended to play. And she's the game changer he never knew he needed. The Perfect Game tells the story of college juniors, Cassie Andrews & Jack Carter. When Cassie meets rising baseball hopeful Jack, she is determined to steer clear of him and his typical cocky attitude. But Jack has other things on his mind... like getting Cassie to give him the time of day. They're both damaged, filled with mistrust and guarded before they find one another (and themselves) in this emotional journey about love and forgiveness. Strap yourselves for a ride that will not only break your heart, but put it back together. Sometimes life gets ugly before it gets beautiful.

Bulletin Little, Brown Books for Young Readers
Los Angeles magazine is a regional magazine of national stature. Our combination of award-winning feature writing, investigative reporting, service journalism, and design covers the people, lifestyle, culture, entertainment, fashion, art and architecture, and news that define Southern California. Started in the spring of 1961, Los Angeles magazine has been addressing the needs and interests of our region for 48 years. The magazine continues to be the definitive resource for an affluent population that is intensely interested in a lifestyle that is uniquely Southern Californian.

Ensnared Learning Express (NY)
A 2015 Newbery Honor Book & New York Times bestseller! Going to school and making new friends can be tough. But going to school and making new friends while wearing a bulky hearing aid strapped to your chest? That requires superpowers! In this funny, poignant graphic novel memoir, author/illustrator Cece Bell chronicles her hearing loss at a young age and her subsequent experiences with the Phonic Ear, a very powerful—and very awkward—hearing aid. The Phonic Ear gives Cece the ability to hear—sometimes things she shouldn’t—but also isolates her from her classmates. She really just wants to fit in and find a true friend, someone who appreciates her as she is. After some trouble, she is finally able to harness the power of the Phonic Ear and become “El Deafo, Listener for All.” And more importantly, declare a place for herself in the world and find the friend she’s longed for.

The Advocate ABRAMS
EBONY is the flagship magazine of Johnson Publishing. Founded in 1945 by John H. Johnson, it still maintains the highest global circulation of any African American-focused magazine.
Backpacker Guilford Publications
From the #1 New York Times bestselling author of Killers of the Flower Moon and The Wager, a thrilling and powerful true story of adventure and obsession in the Antarctic, lavishly illustrated with color photographs. "[Grann is] one of the preeminent adventure and true-crime writers working today."—New York Magazine Henry Worsley was a devoted husband and father and a decorated

British special forces officer who believed in honor and sacrifice. He was also a man obsessed. He spent his life idolizing Ernest Shackleton, the nineteenth-century polar explorer, who tried to become the first person to reach the South Pole, and later sought to cross Antarctica on foot. Shackleton never completed his journeys, but he repeatedly rescued his men from certain death, and emerged as one of the greatest leaders in history. Worsley felt an overpowering connection to those expeditions. He was related to one of Shackleton's men, Frank Worsley, and spent a fortune collecting artifacts from their epic treks across the continent. He modeled his military command on Shackleton's legendary skills and was determined to measure his own powers of endurance against them. He would succeed where Shackleton had failed, in the most brutal landscape in the world. In 2008, Worsley set out across Antarctica with two other descendants of Shackleton's crew, battling the freezing, desolate landscape, life-threatening physical exhaustion, and hidden crevasses. Yet when he returned home he felt compelled to go back. On November 13, 2015, at age 55, Worsley bid farewell to his family and embarked on his most perilous quest: to walk across Antarctica alone. David Grann tells Worsley's remarkable story with the intensity and power that have led him to be called "simply the best narrative nonfiction writer working today." Illustrated with more than fifty stunning photographs from Worsley's and Shackleton's journeys, The White Darkness is both a gorgeous keepsake volume and a spellbinding story of courage, love, and a man pushing himself to the extremes of human capacity. Look for David Grann’s latest bestselling book, The Wager!

Los Angeles Magazine Dell

A teenage girl faces her evil nemesis in the Alice’s Adventures in Wonderland-inspired trilogy that “should sweep readers down the rabbit hole” (Publishers Weekly). After surviving a disastrous battle at prom, Alyssa has embraced her madness and gained perspective. She’s determined to rescue her two worlds and the people and netherlings she loves. Even if it means challenging Queen Red to a final battle of wills and wiles . . . and even if the only way to Wonderland, now that the rabbit hole is closed, is through the looking-glass world—a parallel dimension filled with mutated and violent netherling outcasts. In the final installment of the wildly popular Splintered trilogy, Alyssa and her dad journey into the heart of magic and mayhem in search of her mom and to set right all that’s gone wrong. Together with Jeb and Morpheus, they must salvage Wonderland from the decay and destruction

that has ensnared it. But if they succeed and come out alive, can everyone truly have their happily ever after? Praise for the Splintered trilogy “Alyssa is one of the most unique protagonists I’ve come across in a while. Splintered is dark, twisted, entirely riveting, and a truly romantic tale.” —USA Today “Brilliant, because it is ambitious, inventive, and often surprising.” —The Boston Globe “A dark beauty fills the novel’s pages, which will mesmerize teens with a taste for magic, romance or suspense. Unhinged lays the groundwork for a third book where anything could happen—it is Wonderland, after all.” —Shelf Awareness

Holistic Neurorehabilitation "O'Reilly Media, Inc."
Four Against Darkness is a solitaire dungeon-delving game that may also be played cooperatively. No miniatures are needed. All you need is this book, a pencil, two dice, and grid paper. Choose four characters from a list of classic types (warrior, wizard, rogue, halfling, dwarf, barbarian, cleric, elf), equip them, and venture into dungeons created by dice rolls and your own choices. You will fight monsters, manage resources, grab treasure, dodge traps, find clues, and even accept quests from the monsters themselves. Your characters will level up, becoming more powerful with each game... IF THEY SURVIVE.

Atlanta Doubleday
Alice in Wonderland (also known as Alice's Adventures in Wonderland), from 1865, is the peculiar and imaginative tale of a girl who falls down a rabbit-hole into a bizarre world of eccentric and unusual creatures. Lewis Carroll's prominent example of the genre of "literary nonsense" has endured in popularity with its clever way of playing with logic and a narrative structure that has influence generations of fiction writing.

The Big Book of Conflict Resolution Games: Quick, Effective Activities to Improve Communication, Trust and Collaboration Vintage
Scores of talented and dedicated people serve the forensic science community, performing vitally important work. However, they are often constrained by lack of adequate resources, sound policies, and national support. It is clear that change and advancements, both systematic and scientific, are needed in a number of forensic science disciplines to ensure the reliability of work, establish enforceable standards, and promote best practices with consistent application. Strengthening Forensic Science in the United States: A Path

Forward provides a detailed plan for addressing these needs and suggests the creation of a new government entity, the National Institute of Forensic Science, to establish and enforce standards within the forensic science community. The benefits of improving and regulating the forensic science disciplines are clear: assisting law enforcement officials, enhancing homeland security, and reducing the risk of wrongful conviction and exoneration. Strengthening Forensic Science in the United States gives a full account of what is needed to advance the forensic science disciplines, including upgrading of systems and organizational structures, better training, widespread adoption of uniform and enforceable best practices, and mandatory certification and accreditation programs. While this book provides an essential call-to-action for congress and policy makers, it also serves as a vital tool for law enforcement agencies, criminal prosecutors and attorneys, and forensic science educators.

The Advocate

“One of the great reporters of our time and probably the greatest biographer.” —The Sunday Times (London) From the two-time Pulitzer Prize-winning author of The Power Broker and The Years of Lyndon Johnson: an unprecedented gathering of vivid, candid, deeply moving recollections about his experiences researching and writing his acclaimed books. Now in paperback, Robert Caro gives us a glimpse into his own life and work in these evocatively written, personal pieces. He describes what it was like to interview the mighty Robert Moses and to begin discovering the extent of the political power Moses wielded; the combination of discouragement and exhilaration he felt confronting the vast holdings of the Lyndon B. Johnson Library in Austin, Texas; his encounters with witnesses, including longtime residents wrenchingly displaced by the construction of Moses' Cross-Bronx Expressway and Lady Bird Johnson acknowledging the beauty and influence of one of LBJ's mistresses. He gratefully remembers how, after years of working in solitude, he found a writers' community at the New York Public Library, and details the ways he goes about planning and composing his books. Caro recalls the moments at which he came to understand that he wanted to write not just about the men who wielded power but about the people and the politics that were shaped by that power. And he talks about the importance to him of the writing itself, of how he tries to infuse it with a sense of place and mood to bring characters and situations to life on the page. Taken together, these reminiscences—some previously published, some written expressly for this book—bring into focus the passion, the wry self-deprecation, and the integrity with which this brilliant historian has always approached his work. To understand more about Robert Caro's research, see the Sony Pictures Classic documentary “Turn Every Page.”

Bulletin of the Atomic Scientists

Is it ever too late to leave the friend zone? Discover the heartwarming friends to lovers romance that became a sensation on TikTok—now with a new chapter and a Q&A with the author! The friend zone is not the end zone for Bree Camden, who is helplessly in love with her longtime best friend and extremely hot NFL legend, Nathan Donelson. The only problem is that she can’t admit her true feelings, because he clearly sees her as a best friend with no romantic potential, and the last thing Bree wants is to ruin their relationship. But those abs . . . Nope! Nothing but good old-fashioned, no-touching-the-sexiest-man-alive, platonic friendship for Bree. In any case, she has other things to worry about. After a car accident ended her chance at becoming a professional ballerina, Bree changed paths and now owns her own dance studio, with big dreams to expand it. But one more rent increase could mean the end of the studio entirely. Then, as usual, Nathan comes to the rescue and buys the entire building. A stubborn Bree is not happy about it and decides to rebel with a couple—okay, maybe more than a couple—of tequila shots. Then her plan backfires as she spills her deepest, darkest secret to a TMZ reporter. One viral video later, the world thinks Nathan and Bree are the perfect couple. Before they can really talk about her confession, Nathan’s publicist proposes a big opportunity that could mean financial security for Bree. The catch? They have to pretend to be in love. For three whole weeks. What will happen when Bree gives in to the feelings she’s been desperately hiding for so long, and could she be imagining that Nathan is actually enjoying it? Sarah Adams scores more than touchdowns in this exciting romantic comedy.
