Massachusetts General Laws Annotated  
The Complete Book of Pontiac GTO gives you a year-by-year, model-by-model exploration of the world's first muscle car, all in full color photography, most of which has never been published. When Pontiac created the original muscle car—the GTO—it reshaped the automotive world like a four-inch piston going through a three-inch cylinder bore. Everything changed the moment John Zachery DeLorean and his crew of hot-rodding miscreants bolted a big engine into a smaller car and created the 1964 GTO. Make no mistake: DeLorean and his partners in crime were genuine outlaws. The GTO broke so many of General Motors' corporate rules that the people responsible should have been fired. And they would have been, except the car was a hit. The Complete Book of Pontiac GTO explores every iteration of the first car created specifically for baby boomers. With rare photography from the archives of Hot Rod and Motor Trend magazines, this book is the complete resource for fans of the world's first muscle car.

New York Court of Appeals. Records and Briefs.  
In this alarming book, reporter Jayna Davis tells of her amazing journey leading from the smoking rubble of the Murrah Federal Building to the sleazy haunts of John Doe #2, the mysterious Middle East suspect who the Justice Department was at first desperate to find?then insisted never existed. With a reporter's practiced skill, Jayna Davis unscrambles the convoluted and distorted facts of the Oklahoma City bombing to present a compelling case that proves Timothy McVeigh and Terry Nichols did not act alone and in fact worked in tandem with Middle East connections that lead directly to Saddam Hussein's personal army. Ten years after the tragic April 19 bombing, this revised edition of the controversial book that captured the attention of the 9/11 Commission offers new information and a new afterword that covers the Iraq War, the verdict in the Nichols state murder trial, and recent confirmation of Al-Qaeda General Al-Zawahiri's visit to OKC to approve the bombing.
