Chrysler PT Cruiser Automotive Repair Manual Haynes Publications
AN INSTANT #1 NEW YORK TIMES BESTSELLER "A charming, wholehearted love story that's sure to make readers swoon."—Entertainment Weekly "Nicola Yoon writes from the heart in this beautiful love story."—Good Morning America “ It ’ s like an emotional gut punch—so beautiful and also heart-wrenching."—US Weekly In this romantic page-turner from the author of Everything, Everything and The Sun is Also a Star, Evie has the power to see other people ’ s romantic fates—what will happen when she finally sees her own? Evie Thomas doesn't believe in love anymore. Especially after the strangest thing occurs one otherwise ordinary afternoon: She witnesses a couple kiss and is overcome with a vision of how their romance began . . . and how it will end. After all, even the greatest love stories end with a broken heart, eventually. As Evie tries to understand why this is happening, she finds herself at La Brea Dance Studio, learning to waltz, fox-trot, and tango with a boy named X. X is everything that Evie is not: adventurous, passionate, daring. His philosophy is to say yes to everything--including entering a ballroom dance competition with a girl he's only just met. Falling for X is definitely not what Evie had in mind. If her visions of heartbreak have taught her anything, it's that no one escapes love unscathed. But as she and X dance around and toward each other, Evie is forced to question all she thought she knew about life and love. In the end, is love worth the risk?

Popular Mechanics
I was born and raised in Rockland County, which until the mid-fifties, was a region of New York State characterized by small villages and farms just 18 miles or so from New York City. After high school and college and having seen enough of "progress" destroying this wonderful way of life, my wife and I moved to a small community a few miles from Cooperstown, New York, home of the Baseball Hall of Fame. After raising three daughters and a career in education I decided to change the tempo of life and began a new occupation as a full-time writer of automotive history. This was simply an extension of what I had been doing since my preadolescent years when my brother and I would collect sales brochures from any auto dealer who wouldn't show us the exit/door, since we obviously had no cash, no credit and no intention of buying a new car. Ever since I was in elementary school I was fascinated by the hopped-up Fords and Chevys (and even an occasional Plymouth) of the late '30's and '40's that the older "cool" boys drove to school. Recollections of those cars from long ago instantly came to mind when I first saw the PT Cruiser in 2000. Having previously written numerous articles and several books on Chrysler vehicles, my interest in the PT as the subject of a forthcoming volume was instantaneous.
