[The Electric Vehicle Conversion Handbook HP1568](#) Penguin

How To Keep Your Saturn Happy is the first book ever written about Saturns by a factory trained master technician. This book is a cross between the owner's manual and what your brother or friend would tell you if he were a Saturn technician. The information in this book is the result of over ten years experience working on Saturns, and could save you from spending hundreds or possibly thousands of dollars on avoidable and unnecessary major repairs. A thorough explanation of basic maintenance procedures and a used car guide are also included in a non-technical, easy-to-read format. Reviews from experts "A well written guide by an expert on how to keep your Saturn "on the road" for years of dependable service" Bob Stubeck, Sales Associate- Saturn of Sarasota "Easy reading, not too technical, A must read for all Saturn owners... Dave Wiegand, Service Manager- Saturn of Sarasota "You can tell this guy has spent years with these cars, he really knows his stuff- this is a valuable book for any car owner, not just for Saturns." Bob Pfaff, Service Manager- Saturn of Sunrise "This is an inside look at what we as technicians feel is necessary for an informed customer to know about caring for their Saturn- I believe this book would be a very helpful guide to prolonging the life of any vehicle, at a minimal cost" Rick May, Senior Master Technician- Saturn of Sarasota
