“ Walter Jon Williams is always fun, but this may be his best yet, a delight from start to finish, witty, colorful, exciting and amusing by turns, exquisitely written. ”

—George R. R. Martin From New York Times bestselling and award-winning author Walter Jon Williams comes an adventurous epic fantasy about a man who is forced to leave his comfortable life and find his fortune among goddesses, pirates, war, and dragons. Rogue. Joker. Lover. Reluctant soldier. Quillifer is a young man, serially in love and studying law, when a family tragedy throws him into the world to seek his fortune. A charmer rather than a fighter, he soon finds himself embroiled with a bandit gang, caught up in vicious court intrigues, and the plaything of an angry, beautiful, and very jealous goddess. While he struggles to establish himself in the capital, the country finds itself pitched into a civil war, and Quillifer, a unwilling soldier at best, finds himself caught up in the action, and able to tip the scales of fortune. Quillifer, with its engaging hero and his exploits with lovers, brawlers, warriors, and privateers, is a book that bursts with life. It ' s the first volume in a new epic fantasy by bestselling and award-winning author Walter Jon Williams.

'Oh my gosh I don't know where to start, this book broke me... it will stay with me for a very long time... heartbreaking, poignant, gripping and compelling, I felt every emotion... I read this book in one sitting.' Fiction Vixen Reads, ????? Inspired by an incredible true story. Fans of The Tattooist of Auschwitz, We Were the Lucky Ones and The Choice will love this heartbreaking novel of love, betrayal and a secret passed down through a family. Nazi-occupied Poland, 1940. When soldiers drag Tomasz back to his family's farm, they put a gun to his head and tell him he must join the German army, or see his loved ones forced into the camps. Staring into the wide blue eyes of his childhood sweetheart Zofia, Tomasz does the only thing he can. Over the course of the war, he will risk his life, love and the respect of his own people, to secretly fight for good against evil. All the while, he longs to be reunited with Zofia... but will his brave choices tear them apart forever? London, present day. Isla has grown up wearing her grandfather's rainbow scarf, a beloved memento from the Second World War, and hearing his stories about his time as a young soldier bravely fighting the Germans to protect his people. But as she is collecting photos for his 95th birthday celebration, she finds an old photograph of two men standing in Nazi uniforms, next to a folded piece of paper... a newspaper article, written in German. She knows that name. Her grandfather is too weak to answer questions, so Isla begins her hunt for the truth. There is so much she doesn't know. And what she learns about a love story and a secret from seventy years ago will change her own life forever... Readers absolutely love The Rainbow: 'Wow!! Just wow!!!This book is brilliant! Dale Earnhardt Jr.'s only authorized book revealing the inside track on his final year of racing and retirement from the driver's seat. "Time was running out on my charade... My secrets were about to be exposed to the world." It was a seemingly minor crash at Michigan International Speedway in June 2016 that ended the day early for Dale Earnhardt Jr. What he didn't know was that it would also end his driving for the year. He'd dealt with concussions before, but concussions are like snowflakes, no two are the same. And recovery can be brutal, and lengthy. When NASCAR star Dale Earnhardt Jr. retired from professional stock car racing in 2017, he walked away from his career as a healthy man. But for years, he had worried that the worsening effects of multiple racing-related concussions would end not only his time on the track but his ability to live a full and happy life. Torn between a race-at-all-costs culture and the fear that something was terribly wrong, Earnhardt tried to pretend that everything was fine, but the private notes about his escalating symptoms that he kept on his phone reveal a vicious cycle: suffering injuries on Sunday, struggling through the week, then recovering in time to race again the following weekend. For the first time, he shares these notes and fully reveals the physical and emotional struggles he faced as he fought to close out his career on his own terms. In this candid reflection, Earnhardt opens up about his frustration with the slow recovery, his admiration for the woman who stood by him through it all, and his determination to share his own experience so that others don't have to suffer in silence. Steering his way to the final checkered flag of his storied career proved to be the most challenging race and most rewarding finish of his life.

Few cars in modern times have caused as much of a stir as the turbocharged Subaru Impreza. It came from nowhere at the start of the 1990s to claim three successive World Rally Championships for its makers in the middle of that decade, and went on to become an enthusiasts' car thanks to its affordability, high performance - and, of course, the glorious exhaust note of its unusual flat-four 'boxer' engine. This book examines the three generations of Subaru Impreza WRX and WRX STI from 1992 - 2012, including how the roadgoing cars were developed from the successful rally models, production history and specification details. Topics covered include: History of the Impreza, and early days in competition with the Leone and the Legacy models. Construction and derivatives of the distinctive flat-four engine. Innovations in the Impreza's four-wheel-drive system. Design and specifications for special editions. Includes material from Prodrive on their limited edition models. Examines both rally and roadgoing cars.
