A completely revised and updated edition of David Hough's successful book Street Strategies, the all-new Street Rider's Guide spells out safety tactics for motorcycle riders looking to get the most out of their favorite hobby...for as long as possible. Covering topics from A to Z, Street Rider's Guide is the new go-to handbook for motorcyclists who want quick solutions to nearly 100 commonly encountered obstacles and road challenges, what safety experts like Hough call increasing a rider's "situational awareness." As Hough writes in the introduction, "...the most important way to avoiding crashes is to figure out what's happening."

While many books exist on the market for riders looking to improve their ride or get better control of their bikes, no book out there is dedicated to helping riders develop their situational awareness, which is the most critical skill a rider can have. INSIDE STREET RIDER'S GUIDE

Alphabetically arranged topics from "Alley Acumen" to "Zone Woes" Short descriptions of over 80 critical situations selected by the author Expert tips about how to recognize oncoming hazards and how to avoid them Each entry accompanied by a color photograph to illustrate real-life situation

The book, Proficient Motorcycling, Third Edition: The Ultimate Guide to Riding Well is essential reading for all motorcyclists regardless of their years of experience. Author David L. Hough, a revered motorcycle author, columnist, and riding-safety consultant, lays out a clear course for all riders who want to sharpen their handling skills and improve their rides. In this third edition, each chapter has been updated and expanded to include information on getting started riding, general safety, a description of motorcycle gears and types of motorcycles along with equipment that can be added to the bike. Still in full color, this book still offers the sage advice

from a riding master on what they need to do to be prepared for anything on the road, how to avoid accidents and how to handle the unexpected. There is an added section featuring exercises to do with the motorcycle to gain skill and confidence on the road and an appendix which features charts and graphs with updated information and statistics on riding motorcycles. The resources, glossary and index have all been updated as well. Learn to ride safely with this ultimate motorcycling guide.

In these new poems from Steve Orlen, the work speaks directly without tricks. There's no fragmentation, flarf, call of the elliptical, language tricks, movement and meaning through fancy associations and juxtapositions. There's not even a gesture toward adornment or the raised uplift of the lyric lamenting someone's dead grandmother or in celebration of bees. Yet they come with the force of a sledgehammer, powerfully felt, illuminating.
