It's hard to believe, but the

W129-series Mercedes-Benz 107-series SL and SLC, act
SL was launched over 20 years ago. However, its
timeless styling has kept it
fresh and attractive in the
eyes of a new generation of
enthusiasts, as well as those
returning to the car having
owned one when they were
still in the dealerships. A
combination of superb
original design and peerless
engineering and build quality
adds to the desirability of
this series of classic German
machines, and has ensured
that many of these cars can
still be seen in regular use
today. Covering the SL's
ever-changing specification,
and its presence in many of
the world's major markets is
a huge task, but it's all
presented here in definitive
detail, along with stunning
contemporary photography,
in a volume that will readily
grace any reference library
shelf or connoisseur's
coffee table. Two earlier
books, also published by
Veloce, and covering the
W113 cars and the
107-series SL and SLC, act
as perfect companions to
this title, which takes the SL
story up to 1989.
