The suspension expert's illustrated, comprehensive troubleshooting guide for dirt, street, and supermoto—with a solution to virtually any problem. Suspension is probably the most misunderstood aspect of motorcycle performance. This book, by America's premier suspension specialist, makes the art and science of suspension tuning accessible to professional and backyard motorcycle mechanics alike. Based on Paul Thede's wildly popular Race Tech Suspension Seminars, this step-by-step guide shows anyone how to make their bike, or their kid's, handle like a pro's. Thede gives a clear account of the three forces of suspension that you must understand to make accurate assessments of your suspension's condition. He outlines testing procedures that will help

you gauge how well you're improving your suspension, along with your riding. And, if you're inclined to perfect your bike's handling, he even explains the black art of chassis geometry. Finally, step-by-step photos of suspension disassembly and assembly help you rebuild your forks and shocks for optimum performance.

'Very fair, tries hard, plays keenly, steadily improving his game. Should be useful when he is older.' - School report, Autumn 1971. Meet Ian Cooper: responsible for some of the most sublime moments in sports history. In his head. He never shirked a tackle, never missed a game (except for the one he did), and ran and ran and ran. Mostly away. He never hit any marathon walls though, because he was too busy building them. The mucky exploits of Sunday

morning football on Wandsworth Common means he has, quite literally, always been full of shit. A promise to get his daughter to the Champions League final on time, if Spurs ever got there, means he has to break the habits of a lifetime. His eyes went a long time ago. His mind's on a yellow card. His heart's still in it. A sporting tale (as old as time) of openness, honesty and the redeeming, affirming qualities of friendship, love, three little birds and two gerbils. 'White Hart Down' is a journey that takes us places we've all been. As sporting memoirs go it's a heartfelt, thoughtful, honest but delightful meander down memory lane.

long into the night, spellbound by its magic. ” —The Denver Post A sweeping saga about four generations of a family who live and love on an enchanting island off the coast of Italy—combining the romance of Beautiful Ruins with the magical tapestry of works by Isabel Allende. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY NPR • Los Angeles Public Library • Kirkus Reviews “ Captivating . . . [Catherine] Banner ’ s four-generation saga is set on an island near Sicily, where myths of saints get served up with limoncello at the Esposito family ’ s bar. . . . The island is fictional, but consider this dreamy summer read your passport. ” —People “ A lusty page-turner that weaves romance, rivalry and the intricacies of family expectations into one glorious tale. ” —Minneapolis Star Tribune Castellamare is an island far enough away from the mainland to be forgotten, but not far enough to escape from the world ’ s troubles. At the center of the island ’ s life is a caf é draped with bougainvillea called the House at the Edge of Night, where the community gathers to

gossip and talk. Amedeo Esposito, a foundling from Florence, finds his destiny on the island with his beautiful wife, Pina, whose fierce intelligence, grace, and unwavering love guide her every move. An indiscretion tests their marriage, and their children—three sons and an inquisitive daughter—grow up and struggle with both humanity ’ s cruelty and its capacity for love and mercy. Spanning nearly a century, through secrets and mysteries, trials and sacrifice, this beautiful and haunting novel follows the lives of the Esposito family and the other islanders who live and love on Castellamare: a cruel count and his bewitching wife, a priest who loves scandal, a prisoner of war turned poet, an outcast girl who becomes a pillar of strength, a wounded English soldier who emerges from the sea. The people of Castellamare are transformed by two world wars and a great recession, by the threat of fascism and their deep bonds of passion and friendship, and by bitter rivalries and the power of forgiveness. Catherine Banner has written an

enthraling, character-rich novel, epic in scope but intimate in feeling. At times, the island itself seems alive, a mythical place where the earth heaves with stories—and this magical novel takes you there. Praise for *The House at the Edge of Night* “ A gorgeous, sweeping story set over four generations . . . calls to mind Captain Corelli ’ s Mandolin and Beautiful Ruins. ” —Interview “ Like pictures of a childhood summer, or a half-forgotten smell, this book is sweet and heady with nostalgia . . . [and] comforting as a quilt. ” —NPR “ Rich and immersive, this book will take you away. ” —Vox “ A masterful piece of storytelling, infused with the miraculous (both in stories and in everyday life) while maintaining the difficult balance between the explainable versus the inexplicable . . . captivating and beautifully rendered. ” —Sara Gruen, author of *At the Water ’ s Edge*
