Lou Beach is one of the
most talented artisits in
many mediums, but his
sense of the story within the
context of 420 Characters
takes on into a totally
different rhelm. I read a
story every morning to set
the day onto a track that
helps keep me on the edge.

Lou Beach began his writing
career by updating his Facebook
status, every day, with a new
stand-alone story no more than
420 characters long. These
narrative gems soon appeared on
his website, and then arrived in
the literary world.

THE STORIES you are about
to encounter were written as
"status updates" on a large
social networking site. These
updates are limited to 420
characters, which include
letters, spaces, and
punctuation. They provided a
daily exercise in fiction
writing for the author, who
hopes you enjoy them and
return to read more. They will
be regularly updated.

420 Characters : The Short Stories of Lou Beach

420 Characters is kind of a book
of short stories, but really more

like a book of prose. Lou Beach has been experimenting with short stories via Facebook status update, whereas, you only have 420 characters to write with. The result is a bunch of teaser stories.
