

485 Mercruiser Engine Specs

As recognized, adventure as skillfully as experience roughly lesson, amusement, as capably as deal can be gotten by just checking out a ebook 485 Mercruiser Engine Specs as a consequence it is not directly done, you could say you will even more in relation to this life, just about the world.

We meet the expense of you this proper as well as simple way to acquire those all. We give 485 Mercruiser Engine Specs and numerous book collections from fictions to scientific research in any way. in the course of them is this 485 Mercruiser Engine Specs that can be your partner.

Mercruiser 485 Inboard Engines & Components | Boat Parts ...

It was a 3.7-liter inline four-cylinder engine that produced 170 horsepower, a powerful alternative to the 160- and 165-horsepower six-cylinder Mercury engines. The 470 featured a cast aluminum engine block designed by Mercury Marine, the name Kiekhaefer's company had taken in 1969, and the block was mated with an iron cylinder head from the Ford 460 V-8 engine.

replacement engine for mercruiser 485 | Boating Forum ...

I have a Mercruiser 485. Coolant is escaping from the coolant reservoir. Lost antifreeze thru winter as drain cocks were open, some coolant observed in hull. Filled reservoir, ran boat in water for about an hour watched the heat gauge closely, stayed in range. Next day reservoir empty again. Filled. Emptied in several minutes. No loss in the hull.
