High Performance Engine Motor for 47cc 49cc 2 Stroke ...

O.k., I have a problem in which is confusing me alot. I have a 49cc engine in a pocket bike that my friend gave me, the problems with it are that when i am trying to use the pull start, the pull start will be extremely hard to tug at, as if the gears were having a hard time turning, and i was going at it for about 5 minutes trying to get it to start but the engine wouldn't start.
