The rewards of carefully chosen alternative investments can be great. But many investors don ' t know enough about unfamiliar investments to make wise choices. For that reason, financial advisers Larry Swedroe and Jared Kizer designed this book to bring investors up to speed on the twenty most popular alternative investments: Real estate, Inflation-protected securities, Commodities, International equities, Fixed annuities, Stable-value funds, High-yield (junk) bonds, Private equity (venture capital), Covered calls, Socially responsible mutual funds, Precious metals equities, Preferred stocks, Convertible bonds, Emerging market bonds, Hedge funds, Leveraged buyouts, Variable annuities, Equity-indexed annuities, Structured investment products, Leveraged funds The authors describe how the investments work, the pros and cons of each, which to consider, which to avoid, and how to get started. Swedroe and Kizer evaluate each investment in terms of: Expected returns Volatility Distribution of returns Diversification potential Fees Trading and operating expenses Liquidity Tax efficiency Account location Role in an asset-allocation program Any investor who is considering or just curious about investment opportunities outside the traditional world of stocks, bonds, and bank certificates of deposit would be well-advised to read this book.

"...profoundly moving..." -Publishers Weekly Nelson Mandela's two great-grandchildren ask their grandmother, Mandela's youngest daughter, 15 questions about their grandad – the global icon of peace and forgiveness who spent 27 years in prison. They learn that he was a freedom fighter who put down his weapons for the sake of peace, and who then became the President of South Africa and a Nobel Peace Prize-winner, and realise that they can continue his legacy in the world today. Seen through a child's perspective, and authored jointly by Nelson Mandela's great-grandchildren and daughter, this amazing story is told as never before to celebrate what would have been Nelson's Mandela 100th birthday.

An expert communicator, Jack McAfghan writes the memoirs of his four-legged life as a mixed-breed Afghan Hound. From obedience and agility training to hospice work, Jack and his master learn their lessons side by side, inevitably applying what they have learned as their own lives unfold. It is a love story that can be used as an informal study guide for those who are in the process of training a dog, learning to love, or grieving over the loss of a friend. Jack presents with a wise, open and informed mind. He speaks firsthand about the psychological aspects of canine behavior as he opens the reader's mind to the possibilities that exist in life and after death. He reminds us that the way we think can change the course of our lives. This story will touch everyone who has ever loved. It matters not if they have four legs or two. Jack leads us to a higher love as he expands our tolerance and compassion for all of humanity. He extends himself to every creature of the earth, every human on the planet, every spirit in the universe and most of all, to the bona fide Master over all.

The Only Guide to Alternative Investments You'll Ever Need Kogan Page Publishers

The Capitol Hill aide who scandalized Washington, D.C., with her blog has now written a sharp, steamy, utterly unrepentant novel set against the backdrop of the nation's capitol. When Jacqueline Turner's fiancé gives her two days to move out of his apartment, she has no choice but to leave New York City and crash with her best friend in Washington, D.C. She needs an exciting new life--not to mention real employment. Where better to get a fresh start than the nation's capitol? Alas, D.C. turns out to be a lot more buttoned-up and toned down than she'd hoped. It's a town where a girl has to make her own excitement--and Jacqueline Turner is just the woman for the job. From the married presidential appointee who gives her cash after each tryst to the lascivious Georgetown lawyer who parades her around like something out of Pretty Woman, Jackie's roster of paramours grows so complicated that her friends ask her to start a blog so they can keep up. But in a small town like Washington, the line between private and public blurs very easily, and Jackie quickly realizes this blog idea may be more than she bargained for. Deliciously gossipy and impossible to put down, The Washingtonienne is every bit as steamy and outrageous as the real-life exploits that inspired it.
