The Kanji Learner's Course Green Book offers the most convenient way to practice the writing of all 2,300 kanji in the widely praised Kodansha Kanji Learner's Course. Even today when most learners are focused on learning to read kanji rather than to write them, handwriting practice remains

essential. Integrating hand-eye coordination with the kinesthetic experience of each kanji's stroke sequence, handwriting improves your ability to recognize each kanji, grasp intuitively how it is put together, and distinguish it from lookalikes. Designed to help you use your study time most efficiently, this simple little workbook contains just the right quantity of writing spaces -- four large spaces followed by seven small spaces -- to give you enough practice for each character. It also offers you:

- * Convenience: Following the Course sequence entry by entry, the Green Book makes it easy for you to structure the right amount of handwriting practice into your study routine, experience a sense of creative accomplishment, and exploit the Course's full value.
- * A broad overview of groups of related kanji: Displaying forty kanji per spread, it also allows you to survey the Course's graphically related groupings, consider the similarities and differences among nearby characters, and fully absorb how each kanji's unique features and composition relate to its meaning.
- * A good solution for mastering stroke order: Each entry contains both a guide character and tracing characters, but deliberately excludes stroke order to allow you to develop an independent mastery of kanji composition. The main Course book provides stroke order diagrams for when you need them, but this will not be very often provided you follow the Course's graphically cumulative sequence and practice writing every kanji as you go.
- * Guidance for mastering proper stroke forms: Both the guide characters and the practice squares are cross-hatched to help you achieve precise form.
- * Savings: Standard genk y shi manuscript paper typically costs around US\$7-12 online. The Green Book is priced toward the bottom of this range while offering unique convenience for users of the Kanji Learner's Course.

With 30,000 exercises graded kanji-by-kanji, parallel English text, pronunciation guides, and extensive grammar support, the Kanji Learner's Course Graded Reading Sets series is the most powerful Japanese reading comprehension tool available today. While its sequence follows that of Kodansha's widely acclaimed Kanji Learner's Course, the series is an irreplaceable resource even for those who have studied kanji by other methods. This Volume 1, covering the first 100 kanji in the course, consists of 990 exercises containing 3,600 kanji. The exercises for each entry contain only kanji previously introduced, and are designed to give you contextualized practice with reading kanji, kanji-based vocabulary, and a wide range of grammatical patterns.
