A Compliance Guide for
Retirement Plan

Administrators

In general, a 401(k) is a retirement account that your employer sets up for you. When you enroll, you decide to put a percentage of each paycheck into the account. These contributions are placed into investments that you've selected based on your retirement goals and risk tolerance.

**401k Plan Fix It Guide |
Internal Revenue Service**

A 401(k) is a retirement savings plan offered by employers that gives you some tax benefits as an incentive to save for the future. Many employers automatically enroll new employees into their 401(k) and then let you opt out if you choose.
