Power Engineering
Sample
The two entry levels
into a Power
Engineering career are
the Fifth or Fourth
Class. Fifth Class
relates more to a
heating plant while
the fourth class
relates more to Power
plants. Students
planning on writing
their exams or working
outside Alberta should
contact the
provincial/territorial
certification
organization in their
area.

Steamsmart.ca | Steam Smart | Power Engineering Classes

We help strengthen the student's fundamentals of mathematics, develop exam strategy and offer tips and tricks along the way for successful exam results. Currently we are offering courses in 4th, 3rd and 2nd Class Power Engineering at multiple locations in Edmonton and Saskatoon.

4th Class Power Engineering online | Lakeland College

There are five

certificate levels; 5th, 4th, 3rd, 2nd and 1st class. Each involves qualifying time requirements and examinations administered by the Alberta Boilers Safety Association (ABSA). The objective of this program is to prepare you for entrance into the Power Engineering field at the 4th Class and 3rd Class, Part A level.

4th Class Power Engineering Exam

4th Class Power Engineering Candidates There are no pre-requisites to challenge your 4th Class exam as it is considered entry level, please see the certification

page for more information. The examination consists of two exam papers, each with 150 multiple choice questions. You will be allowed 3 ½ hours to complete each exam paper.

4th Class Exams / Power Engineering ABSA requires two tests for its 4th Class Power Engineering certificate (Part A & Part B), with each test consisting of 150 questions. Of these 150 questions, roughly 10 are regulation-related. While test-takers are not required to know the regulations chapter and verse, they are expected to be able to consult them correctly during the exam.

Click below to register for the MAIN 4th Class Power Engineering Part A Exam. Registering for the exam enables unlimited 4th Class power engineer practice exam attempts. Each 150 question exams is randomly generated from PE101's 4A Power Engineering Exam Test Bank. Exam will become available when you >> SIGN UP << or when you >> LOGIN <<.
