problem solving tasks to develop key
fourth grade mathematical skills,
concepts and understandings.
Containing a mix of routine and non-
routine problems these math journal
tasks provide opportunities for
students to make their own decisions

about how to record their math ideas and thinking without the structure of a worksheet.

Interactive Notebooks Grade 4 - Carson-Dellosa

In fact, some teachers don't grade math journals at all, using them only as a record of students' progress and thinking. If students know you are regularly reading their math journals and you care about what they wrote, you won't have to assign a grade to get them to give their full effort.

I just downloaded your Interactive math notebooks (Kindergarten & 1st/2nd). I teach first grade and there are many things I can use in the beginning of the year in the Kindergarten pack and then go into the 1st/2nd grade pack. Thanks, the packs are great. I hesitate using a math journal, but I think after looking at your packs it will be easy!!!
