From the bestselling author of *My Ex-Best Friend's Wedding* comes a novel about four friends who share a passion for a beloved British television show that will change all of their lives. When the concierge of The Alexander, a historic Atlanta apartment building, invites his fellow residents to join him for weekly screenings of *Downton Abbey*, four very different people find themselves connecting with the addictive drama, and—even more unexpectedly—with each other... expected her marriage to be complicated by love and compromised by a shattering family betrayal. Claire Walker is now an empty nester and struggling author who left her home in the suburbs for the old world charm of The Alexander, and for a new and productive life. But she soon wonders if clinging to old dreams can be more destructive than having no dreams at all. And then there ' s Brooke MacKenzie, a woman in constant battle with her faithless ex-husband. She ' s just starting to realize that it ' s time to take a deep breath and come to terms with the fact that her life is not the fairy tale she thought it would be. For Samantha, Claire, Brooke—and Edward, who arranges the weekly gatherings—it will be a season of surprises as they forge a bond that will sustain them through some of life ' s

hardest moments—all of it reflected in the unfolding drama, comedy, and convergent lives of **Downton Abbey**.

In *The Gun Show*, award-winning playwright E. M. Lewis tells the story of America's relationship with guns through the prism of her own personal experiences. From a farming community in rural Oregon to the big cities of Los Angeles and New York, an actor shares Ms. Lewis's unique perspective and true stories about America's most dangerous pastime as if they were his or her own, with brutal honesty and poignant humor. Leaning neither right nor left, *The Gun Show* jumps into the middle of the gun control debate and asks, "Can we have a conversation about this?"

The solo version of the play requires only a single actor. The role was conceived for a man to play, but you may cast a woman or non-binary actor in this role if desired. In the duo version of the play, the actual playwright – E. M. Lewis – sits out in the audience, and the actor playing the Playwright occasionally interacts with her, as indicated in the script. (The duo version of the play is only available for licensing by special request, depending upon the availability of Ms. Lewis to participate.)
